

employees of the individual Pueblo governments and generally are residents of the Pueblos. Senior Companions serve on their own Pueblos and walk to the homes of their clients.

ACCION International, an AmeriCorps*VISTA project sponsor, is a nonprofit that fights poverty through microlending. ACCION Chicago did outreach to home-based businesses that rarely have access to capital. An AmeriCorps*VISTA member found that many of the women make ends meet through programs such as Mary Kay cosmetics. The AmeriCorps*VISTA member worked with the ACCION loan officer to develop a loan product specifically for these women and has organized bilingual information sessions throughout Chicago neighborhoods.

"Bring New Jersey Together" is an AmeriCorps program in Jersey City, New Jersey that seeks to bridge the cultural and linguistic barriers separating new Americans from the rest of the community. AmeriCorps members serve LEP community members by translating documents and escorting them to places such as medical appointments, the grocery store, or anywhere else where a translator may be necessary. The primary languages of the program are Spanish, Russian, and Vietnamese, but also Albanian, Creole, Indian languages, and others depending on the influx of refugees.

The New Jersey Commission built a partnership with the International Institute of New Jersey, which had provided services to the immigrant community for fifty years, to establish an AmeriCorps program that served the needs of the community.

The Honolulu Chinese Citizenship Tutorial Program is a service-learning project site in the Campus Compact National Center for Community Colleges, "2+4=Service on Common Ground". The University of Hawaii at Manoa's College of Social Sciences collaborated with the Kapl'olani Community College, Chaminade University, the Chinese Community Action Coalition and Child and Family Service. Local bilingual college students serve as tutors (during a 10-week session) for Chinese immigrants to help them pass their citizenship exams. The immigrants are recruited by visiting adult education classes, through Chinese radio programs, flyers, and Chinese language newspapers. The

Chinese Community Action Coalition provides the curriculum and resources such as Scrabble, books, word-picture matching games, and card games for constructing simple English sentences.

The tutorial sessions focus on passing the INS exam and conversational English. Many of the immigrants are senior citizens. The classes are held in Chinatown. Since the project began, about 1,000 immigrants and refugees have enrolled. Over 300 students have participated as tutors and approximately one-third of the Chinese immigrants became citizens.

Transition House, Santa Barbara, CA., is a facility that primarily serves homeless Hispanic women. The services are tailored to meet the needs of each family to help women and their children move from homelessness and unemployment to employment and permanent housing. The AmeriCorps*VISTA members assigned to the project are bilingual. The clientele is 60% monolingual Spanish speakers.

The AmeriCorps*VISTA members are creating a Career Development Curriculum that is fully translated into Spanish and members host seminars about immigration and consumer credit counseling services. There was a need to improve communication with clients. One of the AmeriCorps*VISTA members developed "halfsheets", one side in Spanish, the other in English, that explain the services offered by Transition House.

The AmeriCorps*VISTA members are responsible for placement of children in daycare to enable parents to work. They accompany families to childcare providers to assist with translation and to help make the families feel at ease with placing their children in childcare.
