### Submission for OMB Review; Comment Request

The Department of Commerce has submitted to the Office of Management and Budget (OMB) for clearance the

following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

*Agency:* National Oceanic and Atmospheric Administration (NOAA).

*Title:* Economic Data Collection for the Trap Fishery in the U.S. Caribbean.

*Form Number(s):* None.

*OMB Approval Number:* None.

*Type of Request:* Regular submission.

*Burden Hours:* 150.

*Number of Respondents:* 100.

*Average Hours Per Response:* 1.5.

*Needs and Uses:* Several studies have shown that the haphazard placement of traps damages hard corals and gorgonians. In addition, to physically damaging hard corals and gorgonians traps target various over-exploited reef fish species, which further threaten the health and stability of coral reef habitats. To protect coral reef habitats and ensure the sustainable use of reef fish resources, the Caribbean Fishery Management Council (CFMC) is considering limiting the total number of traps in the fishery. The goal of the proposed survey is to gather socioeconomic information on the Caribbean (Puerto Rico, St. Thomas, St. John, and St. Croix) trap fishery to support the management and conservation efforts of the CFMC. The information collected will be used to satisfy regulatory objectives and analytical requirements, and to assist the CFMC in selecting policies that meet conservation and management goals and minimize, to the extent possible, any adverse economic impacts on fishery participants.

*Affected Public:* Business or other for-profit organizations.

*Frequency:* One-time.

*Respondent's Obligation:* Voluntary.

*OMB Desk Officer:* David Rostker, (202) 395-3897.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at [dHynek@doc.gov](mailto:dHynek@doc.gov)).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to David Rostker, OMB Desk

Officer, Room 10202, New Executive Office Building, Washington, DC 20503.

Dated: October 8, 2002.

[Docket No. 010925233-2253-02]

### Department of Commerce Pre-Award Notification Requirements for Grants and Cooperative Agreements

**AGENCY:** Department of Commerce (DoC).

**ACTION:** Notice.

**SUMMARY:** The notice amends the Department of Commerce Pre-Award Notification Requirements for Grants and Cooperative Agreements. On October 1, 2001, the Department of Commerce (DoC) announced in the **Federal Register** (66 FR 49917) Department-wide requirements which pertain to information provided to applicants for funding under grants and cooperative agreements awarded by DoC.

**DATES:** This amendment is effective October 30, 2002.

**FOR FURTHER INFORMATION CONTACT:** Elizabeth Dorfman, Office of Executive Assistance Management, Telephone Number—202-482-4115.

**SUPPLEMENTARY INFORMATION:** The DoC is amending the Department of Commerce Pre-Award Notification Requirements for Grants and Cooperative Agreements which was published in the **Federal Register** on October 1, 2001. This amendment updates provisions for review and approval of indirect cost rate proposals for those organizations for which DoC is cognizant or has oversight. In January 2002, the U. S. General Accounting Office issued Amendment No. 3, Independence, to the Government Auditing Standards. These new standards do not allow our Office of Inspector General to continue to perform these services, therefore, the Office of Executive Budgeting and Assistance Management, which is organizationally located under the DoC Chief Financial Officer and Assistant Secretary for Administration, will be responsible for the review of cost allocation procedures and negotiation of indirect cost rates for those organizations for which DoC is cognizant or has oversight. Therefore, DoC procedures for review, negotiation,

and approval of indirect cost rates are being revised.

In the first column on page 49919, paragraph B.5.(c)(1) should be replaced with the following:

(1) For those organizations for which DoC is cognizant or has oversight, DoC or its designee either will negotiate a fixed rate for the recipient or, in some instances, will limit its review to evaluating the procedures described in the recipient's cost allocation methodology plan. Indirect cost rates and cost allocation methodology reviews are subject to future audits to determine actual indirect costs. Within 90 days of the award start date, the recipient shall submit to the address listed below documentation (indirect cost proposal, cost allocation plan, etc.) necessary to perform the review. The recipient shall provide the Grants Officer with a copy of the transmittal letter. Office of Executive Assistance Management, Department of Commerce, 14th Street and Constitution Avenue, NW., Room H-6022, Washington, DC 20230.

2. In the second column on page 49919, paragraph B.5.(c)(3) should be replaced with the following:

(3) If the recipient fails to submit the required documentation to DoC or other oversight or cognizant Federal agency within 90 days of the award start date, the Grants Officer may amend the award to preclude the recovery of any indirect costs under the award. If the DoC, oversight, or cognizant Federal agency determines there is a finding of good and sufficient cause to excuse the recipient's delay in submitting the documentation, an extension of the 90-day due date may be approved by the Grants Officer.
