#### Focus

This focus supports the development or enhancement of a statewide technical assistance system that is consistent with CIFMS that is aligned with the process for planning improvement and that addresses such areas as—

(a) Providing information about intervention and instructional practices based on research;

(b) Supporting the use of research-based approaches in instruction and the delivery of service in local schools and agencies;

(c) Serving as a conduit for the dissemination of research-based information among SEAs, State lead agencies, LEAs and Part C agencies, and national technical assistance centers; and

(d) Improving the efficiency of disseminating information by existing State technical assistance centers.
