SUPPLEMENTARY INFORMATION: 16 states (see list below) have qualified to receive a share of the \$29.8 million available for incentive grant awards under WIA section 503. These funds are available to the states through June 30, 2005, to support innovative workforce development and education activities that are authorized under title I (Workforce Investment Systems) or title II (the Adult Education and Family Literacy Act (AEFLA)) of WIA, or under the Perkins Act (Pub. L. 105-332, 20 U.S.C. 2301 *et seq.*). In order to qualify for a grant award, a state must have exceeded performance levels, agreed to by the Secretaries, Governor, and State Education Officer, for outcomes in WIA title I, adult education (AEFLA), and vocational education (Perkins Act) programs. The goals included placement after training, retention in employment, and improvement in literacy levels, among other measures. After review of the performance data submitted by states to the Department of Labor and to the Department of Education, each Department determined which states would qualify for incentives for its program(s). (See below for a list of the states that qualified under all three Acts.) These lists of eligible states were compared, and states that qualified under all three programs are eligible to receive an incentive grant award. The amount that each state is eligible to receive was determined by the Department of Labor and the Department of Education and is based

on WIA section 503(c)(20 U.S.C. 9273(c)), and is proportional to the total funding received by these states for the three Acts.

The states eligible to apply for incentive grant awards, and the amounts they are eligible to receive, are listed below:

State	Amount of award
1. Colorado	\$1,138,334
2. Florida	3,000,000

B. The application was approved by the Governor, the eligible agency for adult education (as defined in section 203(4) of WIA (20 U.S.C. 9202(4))) and the state agency responsible for vocational and technical education programs (as defined in section 3(9) of Perkins III (20 U.S.C. 2302(9))).

In addition, states are requested to provide a description of the planned use

of incentive grants as part of the application process, to ensure that the state's planned activities are innovative and are otherwise authorized under the WIA title I, the AEFLA, and/or the Perkins Act as amended, as required by WIA Section 503(a). TEGL No. 20-01, Change 1 provides the specific application process that states must follow to apply for these funds.
