

of mushroom, including straw mushrooms; (2) all fresh and chilled mushrooms, including "refrigerated" or "quick blanched mushrooms"; (3) dried mushrooms; (4) frozen mushrooms; and (5) "marinated," "acidified" or "pickled" mushrooms, which are prepared or preserved by means of vinegar or acetic acid, but may contain oil or other additives.¹

The merchandise subject to this order is classifiable under subheading: 2003.10.0127, 2003.10.0131, 2003.10.0137, 2003.10.0143, 2003.10.0147, 2003.10.0153, and 0711.51.0000 of the *Harmonized Tariff Schedule of the United States* ("HTSUS"). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this order is dispositive.

Rescission of Review

As mentioned above, both Minhui and Zhongjia stated in their respective requests for a new shipper review that each company was an exporter and producer of the subject merchandise during the POR. Therefore, for purposes of initiating this review and based on the certifications provided by both Zhongjia and Minhui in accordance with 19 CFR 351.214(b)(2)(i), the Department was led to believe that both companies also produced the merchandise for which each requested a review. However, in the course of conducting this review, both Minhui and Zhongjia's responses to the Department's antidumping questionnaire indicated that neither company is a producer of the subject merchandise. Consequently, Zhongjia and Minhui misstated the facts when each claimed in its respective new shipper review request that it was both the exporter and producer of the merchandise subject to this review.

In order to qualify for a new shipper review under 19 CFR 351.214(b)(2)(ii), a company that exports but does not produce the subject merchandise for which it requests such a review must provide, among other things, (1) a certification that it did not export subject merchandise to the United States during the period of investigation ("POI"), and (2) a certification from the person or company which produced or supplied the subject merchandise that the producer or supplier did not export the subject merchandise to the United

States during the POI. See 19 CFR 351.214(b)(2)(ii)(A) and (B).

Because Zhongjia and Minhui did not provide a certification from the respective producers of the subject merchandise they sold or exported to the United States during the POR in accordance with 19 CFR 351.214(b)(2)(ii)(B), neither respondent met the minimum requirements for an entitlement to a new shipper review.

Therefore, for the reasons stated above and absent comments submitted by the parties in this segment of the proceeding, we have rescinded this new shipper review with respect to Zhongjia and Minhui.

Notification

Bonding will no longer be permitted to fulfill security requirements for shipments from Minhui or Zhongjia of certain preserved mushrooms from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date of the final rescission notice. The cash-deposit rate required for subject merchandise from the PRC NME entity (including Zhongjia and Minhui), entered, or withdrawn from warehouse, for consumption on or after the publication of the final rescission notice will continue to be the PRC-wide rate of 198.63 percent. These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This rescission notice is in accordance with sections 751(a)(2)(B) and 777(i) of the Act and 19 CFR 351.214.

Dated: October 2, 2003.

SUPPLEMENTARY INFORMATION: Chapter

established to act in place of national
courts to review expeditiously the final
determination to determine whether it

countervailing duty law of the country
that made the determination.

Under Article 1904 of the Agreement,
which came into force on January 1,
1994, the Government of the United

whole or in part by filing a Complaint
in accordance with Rule 39 within 30
days after the filing of the first Request
for Panel Review (the deadline for filing
a Complaint is October 31, 2003);

(b) A Party, investigating authority or
interested person that does not file a
Complaint but that intends to appear in
support of any reviewable portion of the
final determination may participate in
the panel review by filing a Notice of
Appearance in accordance with Rule 40
within 45 days after the filing of the first
Request for Panel Review (the deadline
for filing a Notice of Appearance is
November 17, 2003); and

(c) The panel review shall be limited
to the allegations of error of fact or law,
including the jurisdiction of the

in the Complaints filed in the panel
review and the procedural and
substantive defenses raised in the panel
review.
