

**EXPORT-IMPORT BANK OF THE UNITED STATES****[Public Notice 57]****Agency Information Collection Activities; Proposed Collection, Comment Request****AGENCY:** Export-Import Bank of the United States (Ex-Im Bank).**ACTION:** Notice and request for comments.

**SUMMARY:** Under the provisions of the Paperwork Reduction Act of 1995, the Export-Import Bank of the United States will be submitting to the Office of Management and Budget (OMB) a request to review and approve a revised exporter and banker survey. The purpose of the survey is to fulfill a statutory mandate (The Export-Import Bank Act of 1945, as amended, 12 U.S.C. 635) which directs Ex-Im Bank to report annually to the U.S. Congress any action taken toward providing export credit programs that are competitive with those offered by official foreign export credit agencies. The Act further stipulates that the annual report on competitiveness should include the results of a survey of U.S. exporters and U.S. commercial lending institutions which provide export credit to determine their experience in meeting financial competition from other

countries whose exporters compete with U.S. exporters.

Accordingly, Ex-Im Bank is requesting that the proposed survey (EIB No. 00-02) be sent to approximately 50 respondents, split equally between bankers and exporters. The revised survey is similar to the previous survey, as it asks bankers and exporters to evaluate the competitiveness of Ex-Im Bank's programs vis-à-vis foreign export credit agencies. However, it has been modified in order to account for newer policies and to capture enough information to provide a better analysis of our competitiveness. In addition, the survey will be available on Ex-Im Bank's Website, <http://www.exim.gov>, with recipients encouraged to respond online as well.

**DATES:** Written comments should be received on or before January 9, 2004 to be assured of consideration.

**ADDRESSES:** Direct all written comments and requests for additional information to Alan Jensen, Export-Import Bank of the U.S., 811 Vermont Avenue, NW., room 1279, Washington, DC 20571, (202) 565-3767.

**SUPPLEMENTARY INFORMATION:** With respect to the proposed collection of information, Ex-Im Bank invites comments as to

—Whether the proposed collection of information is necessary for the

proper performance of the functions of Ex-Im Bank, including whether the information will have a practical use;

- The accuracy of Ex-Im Bank's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and
- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology; e.g., permitting electronic submission of responses.
