Background

In accordance with the Secretary's Compliance Assistance Initiative, the Department of Labor (DOL), through the Office of Compliance Assistance Policy (OCA), will partner with various stakeholder organizations, specifically nonprofit third-party membership organizations, to increase the opportunity to provide DOL's customers with assistance in complying with federal employment laws. OCA is seeking partnership applications from nonprofit trade, professional or labor organizations that share DOL's understanding of the importance of providing clear, accurate and easy-to-access compliance assistance for employers and other stakeholders, in order to protect the wages, health benefits, retirement security, safety and health of America's workforce.

Partnership efforts will be designed to provide nonprofit third-party organizations and their members with an awareness of the various laws and regulations DOL administers and where to get information on compliance assistance. These partnerships will enable DOL to reach a greater number of businesses and workers than it could solely through its own outreach efforts.
