SUMMARY: The Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) are soliciting comments regarding the implementation of section 4203 of the Clinger-Cohen Act of 1996, 41 U.S.C. 431 (the Act) with respect to Commercially Available Off-the-Shelf Item acquisitions. The Act requires the Federal Acquisition Regulation (FAR) list certain provisions of law that are inapplicable to contracts for acquisitions of commercially available off-the-shelf items. The Act excludes section 15 of the Small Business Act and bid protest procedures from the list. The list of inapplicable statutes cannot include a provision of law that provides for criminal or civil penalties.

DATES: Interested parties should submit comments in writing on or before March 15, 2004 to be considered in the formulation of a final rule.

ADDRESSES: Submit written comments to General Services Administration, FAR Secretariat (MVA), 1800 F Street, NW., Room 4035, ATTN: Laurie Duarte, Washington, DC 20405.

Submit electronic comments via the Internet to—*farcase.2000–305@gsa.gov*.

Please submit comments only and cite FAR case 2000–305 in all correspondence related to this case.

SUPPLEMENTARY INFORMATION:**A. Background**

Certain laws have already been determined to be inapplicable to all

commercial items as a result of the implementation of the Federal Acquisition Streamlining Act of 1994 (see FAR 12.503). On January 30, 2003, the FAR Secretariat issued an Advanced Notice of Proposed Rulemaking in the **Federal Register** (68 FR 4874) that lists the additional provisions of law that could be determined inapplicable to commercially available off-the-shelf (COTS) items. Seven public comments were received. The Commercial Products and Practices Committee reviewed the public comments; identified potential changes to the FAR; and submitted a report, including a draft proposed rule for consideration by the Councils.

The Councils recognize the concerns raised by the U.S. Trade Representative, the Department of Labor, and other agencies regarding the listing of certain laws. The proposed rule does not represent a final decision on any of those laws. Rather, the proposed rule lists the universe of laws that could be determined inapplicable to COTS. The Council is seeking public comments that the Administrator for Federal Procurement Policy will use in making the statutory determination that it would be in the best interest of the Government to maintain certain of those proposed laws.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The changes may have a significant, but beneficial, economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule exempts the application of a number of laws to businesses, large and small, offering commercially available off-the-shelf items to the Federal Government. An Initial Regulatory Flexibility Act Analysis (IRFA) has been prepared and is summarized as follows:

The objective and legal basis of this rule is to implement the requirements of section 4203 of the Clinger-Cohen Act (Public Law 104–106). Available data indicates that many commercial sales to the Government will come from small businesses. The rule does not impose new reporting or record keeping requirements and does not duplicate, overlap, or conflict with any other Federal rules. The rule is expected to have a beneficial impact on industry because it proposes to exempt purchases of commercially available off-the-shelf items from many Government-unique

requirements. Although the rule does not specifically propose different procedures for small versus large entities, existing preferences for small businesses, contained in FAR Part 19, remain unchanged. We believe that the relief from administrative burdens proposed by this rule may serve to motivate more small entities to do business with the Government.

The FAR Secretariat has submitted a copy of the IRFA to the Chief Counsel for Advocacy of the Small Business Administration. A copy of the IRFA may be obtained from the FAR Secretariat. Comments are invited. The Councils will consider comments from small entities concerning the affected FAR parts 2, 3, 12, 22, 23, 25, 27, 44, 47, and 52 in accordance with 5 U.S.C. 610. Comments must be submitted separately and should cite 5 U.S.C. 601, *et seq.* (FAR case 2000–305), in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act applies. It is anticipated that the rule will reduce annual information collection burdens. An estimate of the burden reduction is undetermined at this time. The reduction will be dependant on the estimated burden reductions taken for each provision of law that will be excluded from the final rule. Accordingly, a Paperwork Reduction Act Change to pertinent existing burdens will be submitted to the Office of Management and Budget under 44 U.S.C. 2502, *et seq.*
