SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or

Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: August 6, 2004.

Angela C. Arrington,

Leader, Regulatory Information Management Group, Office of the Chief Information Officer.

Recognition of Accrediting Agencies, State Agencies for the Approval of Public Postsecondary Vocational Education, and State Agencies for the Approval of Nurse Education

AGENCY: National Advisory Committee on Institutional Quality and Integrity, Department of Education (The Advisory Committee).

What Is the Purpose of This Notice?

On July 16, 2004, we published a notice in the **Federal Register** to invite written comments on accrediting agencies that had submitted petitions for review by the Advisory Committee at its December 13-15, 2004 meeting. Although the Distance Education and Training Council was included in the list of accrediting agencies for the Advisory Committee's review of the Council's progress report, the July 16, 2004 notice omitted the Council's request for an expansion of scope. This notice invites written comments on the petition for expansion of scope submitted by the Distance Education and Training Council that will be reviewed at the Advisory Committee meeting to be held on December 13-15, 2004.

Petition for an Expansion of Scope

1. Distance Education and Training Council (Current scope of recognition: The accreditation of postsecondary institutions in the United States offering programs primarily by the distance education method up through the first

professional degree. *Title IV Note: Accreditation by this agency does not enable the entities it accredits to establish eligibility to participate in Title IV programs.*) (Requested scope of recognition: the accreditation of postsecondary institutions in the United States offering programs primarily by the distance education method up through the first professional degree. *Title IV Note: Under current law, distance education entities accredited by this agency are not eligible to participate in Title IV programs, other than the Distance Education Demonstration Project.*)

Where Should I Submit My Comments?

Please submit your written comments by September 27, 2004 to Carol Griffiths, Accrediting Agency Evaluation, Accreditation and State Liaison. You may contact her at the U.S. Department of Education, 1990 K Street, NW., 7th Floor, Room 7105, Washington, DC 20006-8509, telephone: (202) 219-7011. Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service at 1-800-877-8339.

What Is the Authority for the Advisory Committee?

The National Advisory Committee on Institutional Quality and Integrity is established under Section 114 of the Higher Education Act (HEA), as amended, 20 U.S.C. § 1011c. One of the purposes of the Advisory Committee is to advise the Secretary of Education on the recognition of accrediting agencies and State approval agencies.

Will This Be My Only Opportunity To Submit Written Comments?

Yes, this notice announces the only opportunity you will have to submit written comments. However, another **Federal Register** notice will announce the meeting and invite individuals and/or groups to submit requests to make oral presentations before the Advisory Committee on the agencies that the Committee will review. That notice, however, does not offer an opportunity to submit written comment.

What Happens to the Comments That I Submit?

We will review your comments, in response to this notice, as part of our evaluation of the Distance Education and Training Council's compliance with the Secretary's Criteria for Recognition of Accrediting Agencies. The Criteria are regulations found in 34 CFR Part 602 (for accrediting agencies).

We will also respond to your comments, as appropriate, in the staff
