General Organization, Delegations of Authority, Relationships and Communication Channels

AGENCY: Postal Service.

ACTION: Final rule.

SUMMARY: This rule amends the Postal Service regulations on general organization, delegations of authority, and relationships and communication channels to bring these regulations into

line with the Postal Service's current organizational structure. It also removes several obsolete parts from the subchapter dealing with organization and administration.

EFFECTIVE DATE: August 31, 2004.

FOR FURTHER INFORMATION CONTACT:

Stanley F. Mires, (202) 268-2958.

SUPPLEMENTARY INFORMATION: Revision of parts 221 through 223 is necessary to reflect structural and other changes that have occurred in the Postal Service since the last major amendments to these parts in 1989 (54 FR 29707). In addition, successive internal restructurings of the Postal Service have made parts 224 through 229 obsolete. Rather than revise these parts, which presented an unnecessarily detailed functional description of the managerial units formerly contained in the Postal Service, the decision has been made to remove them. Exhaustive information concerning postal administrative topics is contained in the Postal Service's Administrative Support Manual (ASM). The ASM is available for inspection at the U.S. Postal Service Library, 475 L'Enfant Plaza West, S.W., Washington, DC 20260-1641. The ASM is also available for sale to the public through the Topeka Material Distribution Center, 500 SW Montana Pkwy, Topeka, KS 66624-9995, telephone 1-800-332-0317. A concise statement of the organization of the Postal Service can be found in the United States Government Manual, published by the Office of the Federal Register, National Archives and Records Administration.

This rule is a change in agency rules of organization that does not substantially affect any rights or obligations of private parties. Therefore, it is appropriate for its adoption by the Postal Service to become effective immediately.
