CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

Information Collection; Submission for OMB Review; Comment Request

AGENCY: Corporation for National and Community Service.

ACTION: Notice.

SUMMARY: The Corporation for National and Community Service (hereinafter the "Corporation") has submitted a public information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995, Public Law 104-13, (44 U.S.C. chapter 35). Copies of this ICR, with applicable supporting documentation, may be obtained by calling the Corporation for National and Community Service, Bruce Kellogg, at (202) 606-5000, extension 526. Individuals who use a telecommunications device for the deaf (TTY-TDD) may call (800) 833-3722 between the hours of 9 a.m. and 5 p.m. eastern standard time, Monday through Friday.

ADDRESSES: Comments should be sent to the Office of Information and Regulatory Affairs, Attn: Ms. Brenda Aguilar, OMB Desk Officer for the Corporation for National and Community Service, Office of Management and Budget, Room 10235, Washington, DC 20503, (202) 395-7316, within 30 days from the date of publication in this **Federal Register**.

SUPPLEMENTARY INFORMATION: The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Corporation, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Propose ways to enhance the quality, utility and clarity of the information to be collected; and

- Propose ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

An ICR document has been submitted to OMB for consideration concerning a proposed revision to an earlier OMB-approved form. It is The Voucher and Payment Request Form (OMB #3045-0014).

This is the document by which an AmeriCorps member accesses his or her account in the National Service Trust. The form serves three purposes: (1) The AmeriCorps member uses it to request and authorize a specific payment to be made from his or her account, (2) the school or loan company uses it to indicate the amount for which the individual is eligible, and (3) the school or loan company and member both certify that the payment meets various legislative requirements. When the Corporation receives a voucher, it is processed and the U.S. Treasury issues a payment to the loan holder or school on behalf of the AmeriCorps member.

The document was published in the **Federal Register** on June 8, 2004, for a 60-day pre-clearance public comment period. A caller commented on unclear wording, which has been modified. Only one organization, a school, requested a copy of the document. Its suggestion was incorporated into the version now being presented to OMB for consideration. The form is discussed below.
