## DEPARTMENT OF COMMERCE

### International Trade Administration

[A-570-863]

#### **Honey From the People's Republic of China: Initiation of New Shipper Antidumping Duty Reviews**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Initiation of new shipper antidumping duty reviews.

**EFFECTIVE DATE:** February 6, 2004.

**FOR FURTHER INFORMATION CONTACT:**

Shireen Pasha or Brandon Farlander at (202) 482-0913 or (202) 482-0182, respectively; Antidumping and Countervailing Duty Enforcement Group III, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

**SUPPLEMENTARY INFORMATION:**

#### **Background**

The Department received timely requests from the following companies: Anhui Honghui Foodstuff (Group) Co., Ltd. (Anhui Honghui), Eurasia Bee's Products Co., Ltd. (Eurasia), Foodworld International Club Limited (Foodworld), Inner Mongolia Youth Trade Development Co., Ltd. (Inner Mongolia Youth), Jiangsu Kanghong Natural Healthfoods Co., Ltd. (Jiangsu Kanghong), and Shanghai Shinomieli International Trade Corporation (Shanghai Shinomieli), in accordance with 19 CFR 351.214(c), for new shipper reviews of the antidumping duty order on honey from the People's Republic of China (PRC), which has a December annual anniversary month and a June semiannual anniversary month. See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order; Honey from the People's Republic of China*, 66 FR

63670 (December 10, 2001). Anhui Honghui identified itself as both the exporter and producer of the subject merchandise. Eurasia identified itself as the exporter and producer of the subject merchandise, as well as the exporter of subject merchandise produced by its supplier Chuzhou Huadi Foodstuffs Co., Ltd. (Chuzhou). Foodworld identified itself as the exporter of honey produced by its producer Anhui Tianxin Bee Products Co., Ltd. (Anhui Tianxin). Inner Mongolia Youth identified itself as the exporter of the subject merchandise produced by Qinhuangdao Municipal Dafeng Industrial Co. Ltd. (Qinhuangdao). Jiangsu Kanghong identified itself as both the exporter and producer of the subject merchandise. Shanghai Shinomieli identified itself as the exporter of subject merchandise produced by Hangzhou Green Forever Apiculture Co. (Hangzhou Green), and Hubei Yangzijian Apiculture Co. (Hubei Yangzijian).

As required by 19 CFR 351.214(b)(2)(i), (ii), and (iii)(A), Anhui Honghui, Eurasia, Foodworld, Inner Mongolia, Jiangsu Kanghong, and Shanghai Shinomieli certified that they did not export honey to the United States during the period of investigation (POI), and that they have never been affiliated with any exporter or producer which exported honey during the POI. Furthermore, Anhui Honghui, Eurasia, Foodworld, Inner Mongolia, Jiangsu Kanghong, and Shanghai Shinomieli certified that their export activities are not controlled by the central government of the PRC, satisfying the requirements of 19 CFR 351.214(b)(2)(iii)(B). Pursuant to the Department's regulations at 19 CFR 351.214(b)(2)(iv), Anhui Honghui, Eurasia, Inner Mongolia, Jiangsu Kanghong, and Shanghai Shinomieli submitted documentation establishing the date on which the subject merchandise was first entered for consumption in the United States, the volume of that first shipment, and the date of the first sale to an unaffiliated customer in the United States. We note that Foodworld only submitted the volume and date of the first sale to an unaffiliated customer in the United States, and did not submit documentation establishing the date the merchandise was first entered for consumption in the United States. Moreover, Shanghai Shinomieli indicated in its new shipper review request that both of its suppliers (Hubei Yangzijian and Hangzhou Green Forever) had also previously supplied an exporter that exported subject merchandise to the United States during

the period of investigation and subsequently.

On December 19, 2003, the Department issued pre-initiation supplemental questionnaires to all companies to clarify company information submitted in their requests to the Department for new shipper reviews. We received supplemental questionnaire responses from each company. In Foodworld's supplemental questionnaire response, dated December 31, 2003, Foodworld indicated that its shipment had not entered the United States during the POR, but that it was expected to arrive in the United States before the end of the year, and that the official date of entry would likely be in January 2004. Further, Foodworld indicated that it would submit a copy of the Customs Form 7501 when it became available. As of January 30, 2004, Foodworld had not submitted to the Department a copy of the Customs Form 7501 for this shipment.

The Department conducted multiple Customs run queries in December 2003 and January 2004 to determine whether Foodworld's shipment had officially entered the United States via assignment of an entry date in the Customs database by the U.S. Customs and Border Protection (CBP). We also made multiple phone calls to CBP, including a phone call on January 30, 2004, to inquire whether this shipment had entered the United States. As of January 30, 2004, and based on available information on the record, it appears that Foodworld's shipment did not enter the United States for consumption during the POR, nor has it entered by the initiation date, which is 60 days after the end of the POR. See *Memoranda to the File through Richard O. Weible, "New Shipper Review Initiation Checklist,"* dated January 30, 2004, for Foodworld.
