

of the ID. As to remedy, the ALJ recommended the issuance of a general exclusion order. He also recommended that the bond permitting temporary importation during the Presidential review period be set at 100 percent of the value of the infringing imported product.

In connection with the final disposition of this investigation, the Commission may issue an order that could result in the exclusion of the subject articles from entry into the United States, and/or issue a cease and desist order that could result in the remaining respondent being required to cease and desist from engaging in unfair acts in the importation and sale of such articles. Accordingly, the Commission is interested in receiving written submissions that address the form of remedy, if any, that should be ordered. If a party seeks exclusion of an article from entry into the United States for purposes other than entry for consumption, it should so indicate and provide information establishing that activities involving other types of entry either are adversely affecting it or likely to do so. For background, see *In the Matter of Certain Devices for Connecting Computers via Telephone Lines*, Inv. No. 337-TA-360, USITC Pub. No. 2843 (December 1994) (Commission Opinion).

If the Commission contemplates some form of remedy, it must consider the effects of that remedy upon the public interest. The factors the Commission will consider in this investigation include the effect that an exclusion order would have on (1) the public health and welfare, (2) competitive conditions in the U.S. economy, (3) U.S. production of articles that are like or directly competitive with those that are subject to investigation, and (4) U.S. consumers. The Commission is therefore interested in receiving written submissions that address the aforementioned public interest factors in the context of this investigation.

If the Commission orders some form of remedy, the President has 60 days to approve or disapprove the Commission's action. During this period, the subject articles would be entitled to enter the United States under a bond, in an amount determined by the Commission and prescribed by the Secretary of the Treasury. The Commission is therefore interested in receiving submissions concerning the amount of the bond that should be imposed.

Written Submissions: The parties to the investigation, interested government agencies, and any other interested parties are encouraged to file written

submissions on remedy, the public interest, and bonding. Such submissions should address the September 23, 2004 recommended determination by the ALJ on remedy and bonding. Complainants and the Commission's investigative attorney are also requested to submit proposed orders for the Commission's consideration. The written submissions and proposed orders must be filed no later than close of business on November 12, 2004. Reply submissions, if any, must be filed no later than the close of business on November 19, 2004. No further submissions on these issues will be permitted unless otherwise ordered by the Commission.

Persons filing written submissions must file with the Office of the Secretary the original document and 14 true copies thereof on or before the deadlines stated above. Any person desiring to submit a document (or portion thereof) to the Commission in confidence must request confidential treatment unless the information has already been granted such treatment during the proceedings. All such requests should be directed to the Secretary of the Commission and must include a full statement of the reasons that the Commission should grant such treatment. See section 201.6 of the Commission's Rules of Practice and Procedure, 19 CFR 201.6. Documents for which confidential treatment by the Commission is sought will be treated accordingly. All nonconfidential written submissions will be available for public inspection at the Office of the Secretary.

This action is taken under the authority of section 337 of the Tariff Act of 1930, 19 U.S.C. 1337, and sections 210.16 and 210.42 of the Commission's Rules of Practice and Procedure, 19 CFR 210.16, 210.42.

Issued: October 19, 2004.

By order of the Commission.

Marilyn R. Abbott,

Secretary to the Commission.

Brief Abstract: Primary: Law enforcement agencies and other public and private entities that apply for COPS Office grants or cooperative agreements will be asked to complete the COPS Application Attachment to SF-424. The COPS Application Attachment to SF-424 is the result of a COPS Office business process reengineering effort aimed at standardization as required under the grant streamlining requirements of Pub. L. 106-107, the Federal Financial Assistance Management Improvement Act of 1999, as well as the President's Management Agenda E-grants Initiative. Currently, the COPS Office uses multiple application forms that are not standardized across programs. This new form streamlines application forms across all COPS Office programs and should reduce the burden on applicants due their ability to use the same form for multiple programs, thus reducing the need for applicant's to learn how to complete multiple forms.

(5) *An Estimate of the Total Number of Respondents and the Amount of Time Estimated for an Average Respondent To Respond/Reply:* It is estimated that 6,200 respondents annually will complete the form within 8 hours.

(6) *An Estimate of the Total Public Burden (in Hours) Associated With the Collection:* There are an estimated 49,600 total annual burden hours associated with this collection.
