

demolition or acquisition, public facilities, economic development, business entrepreneurship, and fair housing programs.

The Catalog Federal Domestic Assistance number for this program is 14.237.

On May 14, 2004 (69 FR 27033), HUD published a Notice of Funding Availability (NOFA) announcing the availability of \$9.5 million in Fiscal Year 2004 for the HBCU program. Of this amount, \$1.4 million was made available to HBCU applicants that had not been funded in the past (applicants could request up to \$340,000) and \$7.6 million to HBCU applicants that had been previously funded (applicants could request between \$340,000 to \$550,000). The Department reviewed, evaluated, and scored the applications received based on the criteria in the NOFA. As a result, HUD has funded the applications below, and in accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (103 Stat. 1987, 42 U.S.C. 3545), the Department is publishing details concerning the recipients of funding awards, as set forth below.

**BILLING CODE 4210-27-P**

**DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT**

[Docket No. FR-4901-N-44]

**Federal Property Suitable as Facilities To Assist the Homeless**

**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice.

**SUMMARY:** This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

**FOR FURTHER INFORMATION CONTACT:** Kathy Burruss, room 7266, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

**SUPPLEMENTARY INFORMATION:** In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Heather Ranson, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by

GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: Army: Ms. Audrey C. Ormerod, Headquarters, Department of the Army, Office of the Assistant Chief of Staff for Installation Management, Attn: DAIM-MD, 600 Army Pentagon, Washington, DC 20310-0600; (703) 601-2520; Energy: Mr. Andy Duran, Department of Energy, Office of Engineering & Construction Management, ME-90, 1000 Independence Ave., SW., Washington, DC 20585; (202) 586-4548; GSA: Mr. Brian K. Polly, Assistant Commissioner, General Services Administration, Office of Property Disposal, 18th and F Streets, NW., Washington, DC 20405; (202) 501-0084; Navy: Mr. Charles C. Cocks, Department of the Navy, Real Estate Policy Division, Naval Facilities Engineering Command, Washington Navy Yard, 1322 Patterson Ave., SE., Suite 1000, Washington, DC 20374-5065; (202) 685-9200; (These are not toll-free numbers).

## DEPARTMENT OF THE INTERIOR

### Office of the Secretary

#### National Wild and Scenic Rivers System; Westfield River, Massachusetts

**AGENCY:** Office of the Secretary, DOI.

**ACTION:** Approval of application.

**SUMMARY:** The Secretary of Interior hereby announces approval of an application by the Governor of Massachusetts to expand the designation of the Westfield River, Massachusetts and tributaries as a State- and local-administered component of the National Wild and Scenic Rivers System. The effect of this action will be that 34.8 miles of river will be added to the previously designated 43.3 miles. The river and affected lands will continue to be administered by State and local authorities without expense to the United States.

**FOR FURTHER INFORMATION CONTACT:** Jamie Fosburgh, National Park Service, Northeast Region, 15 State Street, Boston, MA 02109. (617) 223-5191 (*Jamie\_Fosburgh@nps.gov*).

**SUPPLEMENTARY INFORMATION:** Pursuant to the authority granted the Secretary of the Interior by section 2(a)(ii) of the Wild and Scenic Rivers Act (16 U.S.C. 1273(a)(ii)), and upon proper application of the Governor of the Commonwealth of Massachusetts, 34.8 miles of the Westfield River, its three branches, and headwater tributaries are hereby added to the 43.3 miles of the Westfield River previously designated as State-administered components of the National Wild and Scenic Rivers System on November 16, 1993.

On April 26, 2002, the Governor of the Commonwealth of Massachusetts petitioned the Secretary of the Interior to add 34.8 miles of the Westfield River and tributaries to the National System. These river segments had been designated a Local Scenic River on December 5, 2001, pursuant to the Massachusetts Scenic and Recreational Rivers Act. In response to the Governor's request, the National Park Service conducted a complete review of the State application and documents associated with the designation decision. As a result of that review, the Secretary has determined that 34.8

miles of the Westfield and its tributaries should be designated as a State-administered component of the National Wild and Scenic Rivers System, as provided for in section 2(a)(ii) of the Wild and Scenic Rivers Act (WSRA).

The State of Massachusetts has fulfilled the requirement of the WSRA by designating these segments as "Local Scenic River" and by adopting a program of action that will adequately protect the river from adverse State actions. The National Park Service evaluation of the river concluded that these segments of the Westfield River meet the criteria for wild, scenic, and recreational classification under the WSRA. Accordingly, the following river segments are classified as wild, scenic, or recreational pursuant to section 2(b) of the WSRA to be administered by State and local government: *Wild:* Shaker Mill Brook, 2.6 miles from Brooker Hill Road in Becket to its headwaters. *Scenic:* Upper East Branch, 6.6 miles from the Windsor/Cummington town line to its confluence; Upper East Branch Tributaries—Drowned Land Brook, 1.5 miles; Center Brook, 2.5 miles; and Windsor Jambs Brook, 1.3 miles; and Headwater Tributaries of the West Branch—Shaker Mill Brook, 1.2 miles from Brooker Hill Road in Becket to its confluence; Depot Brook, 4.5 miles; Savery Brook, 2.9 miles; Watson Brook, 1.9 miles; and Center Pond Brook, 1.6 miles from Center Pond to its confluence.

*Recreational:* Lower Middle Branch, East Branch, and Main Stem, 3.2 miles in the Town of Huntington and the Upper East Branch, 5.0 miles from its confluence with Sykes Brook to its confluence with the West Branch.

This action is taken following public involvement and consultation with the Departments of Agriculture, Army, Energy, and Transportation, the Federal Energy Regulatory Commission, and the U.S. Environmental Protection Agency as required by section 4(c) of the WSRA. A 45-day period for public comment on the State's application and river management plan of the proposed national designation was provided from April 10, 2003, to May 27, 2003. All comments received have been carefully considered. A 30-day period of public comment on the environmental assessment was provided from May 4, 2004, to June 4, 2004. No comments were received on the Environmental Assessment.

Notice is hereby given that, effective upon this date, the above-described river segments are approved for inclusion in the National Wild and Scenic Rivers System to be administered
