III. What is the Agency's Authority for Taking this Action?

Section 6(f)(1) of FIFRA provides that a registrant of a pesticide product may at any time request that any of its pesticide registrations be cancelled or amended to terminate one or more uses. The Act further provides that, before acting on the request, EPA must publish a notice of receipt of any such request in the **Federal Register**. Thereafter, following the public comment period, the Administrator may approve such a request.

IV. Procedures for Withdrawal of Request

Registrants who choose to withdraw a request for use deletion must submit the withdrawal in writing to Amaris Johnson using the instructions in Unit I.C. The Agency will consider written withdrawal requests postmarked no later than January 11, 2005.

V. Provisions for Disposition of Existing Stocks

For purposes of this cancellation order, the term "existing stocks" is defined, pursuant to EPA's existing stocks policy (56 FR 29362, June 26, 1991), as those stocks of registered pesticide products which are currently

in the United States and which were packaged, labeled, and released for shipment prior to the effective date of the cancellation action. The Agency has authorized the registrants to sell or distribute product under the previously approved labeling for a period of 12 months after approval of the revision, unless other restrictions have been imposed.
