[Project No. 12062-001]

#### Symbiotics, LLC; Notice of Surrender of Preliminary Permit

February 23, 2004.

Take notice that Symbiotics, LLC, permittee for the proposed Sun River Diversion Hydroelectric Project, has requested that its preliminary permit be terminated. The permit was issued on September 28, 2001, and would have expired on August 31, 2004. The proposed project would have been located on an existing federally-owned dam administered by the U.S. Bureau of Reclamation, on the Sun River in Teton County, Montana.

The permittee filed the request on February 13, 2004, and the preliminary permit for Project No. 12062 shall remain in effect through the 30th day after issuance of this notice unless that day is a Saturday, Sunday, or holiday as described in 18 CFR 385.2007, in which case the permit shall remain in effect through the first business day following that day. New applications involving this project site, to the extent provided for under 18 CFR part 4, may be filed on the next business day.

You may also register online at <http://www.ferc.gov/esubscribenow.htm> to be notified via email of new filings and issuances related to this or other pending projects. For assistance, contact FERC Online Support.

n. Anyone may submit a protest or a motion to intervene in accordance with the requirements of rules of practice and procedure, 18 CFR 385.210, 385.211, and 385.214. In determining the appropriate action to take, the Commission will consider all protests filed, but only those who file a motion to intervene in accordance with the Commission's rules may become a party to the proceeding. Any protests or motions to intervene must be received on or before the specified deadline date for the particular application.

All filings must (1) bear in all capital letters the title "PROTEST" or "MOTION TO INTERVENE"; (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; (3) furnish the name, address, and telephone number of the person protesting or intervening; and (4) otherwise comply with the requirements of 18 CFR 385.2001 through 385.2005. Agencies may obtain copies of the application directly from the applicant. A copy of any protest or motion to intervene must be served upon each representative of the applicant specified in the particular application.

o. *Procedural Schedule and Final Amendments*: The application will be processed according to the following Hydro Licensing Schedule. Revisions to the schedule will be made as appropriate. The Commission staff proposes to issue one environmental assessment rather than issue a draft and final EA. Comments, terms and conditions, recommendations, prescriptions, and reply comments, if any, will be addressed in the EA.

Issue Acceptance Letter—February 2004  
Additional Information Due—December 2004  
Issue Scoping Document—January 2005  
Notice that application is ready for environmental analysis—March 2005

Final amendments to the application must be filed with the Commission no later than 30 days from the issuance date of the notice of ready for environmental analysis.
