Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purposes of the Professional Development program are to: (1) Increase the number of qualified Indian individuals in professions that serve Indian people; (2) provide training to qualified Indian individuals to become teachers, administrators, teacher aides, social workers, and ancillary educational personnel; and (3) improve the skills of qualified Indian individuals who serve in the education field. Activities may include, but are not limited to, continuing programs, symposia, workshops, conferences, and direct financial support.

Priorities: In accordance with 34 CFR 75.105(b)(2)(ii), these absolute priorities are from the regulations for this program (34 CFR 263.5(c)(1) and (2)). These priorities are designed to meet two primary goals of the No Child Left Behind Act of 2001, Pub. L. 107–110.

Absolute Priorities: For FY 2004 these priorities are absolute priorities. Under 34 CFR 75.105(c)(3) we consider only applications that meet one or both of these priorities.

These priorities are:

Pre-Service Training for Teachers

A project that provides support and training to Indian individuals to complete a pre-service education program that enables these individuals to meet the requirements for full State certification or licensure as a teacher through—

- (1)(i) Training that leads to a bachelor's degree in education before the end of the award period;
- (ii) For States allowing a degree in a specific subject area, training that leads to a bachelor's degree in the subject area as long as the training meets the requirements for full State teacher certification or licensure; or
- (iii) Training in a current or new specialized teaching assignment that

requires at least a bachelor's degree and in which a documented teacher shortage exists; and

(2) One year induction services after graduation, certification, or licensure provided during the award period to graduates of the pre-service program while they are completing their first year of work in schools with significant Indian student populations.

Note: In working with various institutions of higher education and State certification/licensure requirements, we found that states requiring a degree in a specific subject area (e.g., specialty areas or teaching at the secondary level) generally require a master's degree or fifth-year requirement before an individual can be certified or licensed as a teacher. These students would be eligible to participate as long as their training meets the requirements for full State certification or licensure as a teacher.

Pre-Service Administrator Training

A project that provides—

(1) Support and training to Indian individuals to complete a master's degree in education administration that is provided before the end of the award period and that allows participants to meet the requirements for State certification or licensure as an education administrator; and

(2) One year of induction services during the award period to participants after graduation, certification or licensure, while they are completing their first year of work as administrators in schools with significant Indian student populations.

Competitive Preference Priorities: Within each of the absolute priorities, we give competitive preference to applications that address the following priorities. In accordance with 34 CFR 75.105(b)(2)(ii), these priorities are from the regulations for this program (34 CFR 263.5(a) and (b)). These priorities are:

Competitive Preference Priority One

We award five points to an application submitted by an Indian tribe, Indian organization, or Indian institution of higher education that is eligible to participate in the Professional Development program. A consortium application of eligible entities that meets the requirements of 34 CFR 75.127 through 75.129 of EDGAR and includes an Indian tribe, Indian organization or Indian institution of higher education will be considered eligible to receive the five (5) priority points.

Competitive Preference Priority Two

We award five points to an application submitted by a consortium of eligible applicants that includes a

tribal college or university and that designates that tribal college or university as the fiscal agent for the application. The consortium application of eligible entities must meet the requirements of 34 CFR 75.127 through 75.129 of EDGAR to be considered eligible to receive the five (5) priority points. These points are in addition to the five (5) competitive preference points we may award under Competitive Preference One.

Note: The consortium agreement, signed by all parties, must be submitted with the application in order to be considered a consortium application. Letters of support do not meet the consortium requirements. We will reject any application that does not meet these requirements.

Note: Tribal colleges and universities are those institutions cited in section 532 of the Equity in Educational Land-Grant Status Act of 1994 (7 U.S.C. 301 note), any other institution that qualifies for funding under the Tribally Controlled College or University Assistance Act of 1978 (25 U.S.C. 1801 *et seq.*), or Dine College (formerly Navajo Community College), authorized in the Navajo Community College Act (25 U.S.C. 640a *et seq.*).

Program Authority: 20 U.S.C. 7442.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, 97, 98 and 99; and (b) 34 CFR part 263.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

Note: Some of the procedures in these instructions for transmitting applications differ from those in the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.102). Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, these amendments make procedural changes only and do not establish new substantive policy. Therefore, under 5 U.S.C. 553(b)(A), the Secretary has determined that proposed rulemaking is not required.

Pilot Project for Electronic Submission of Applications: We are continuing to expand our pilot project for electronic submission of applications to include additional formula grant programs and additional discretionary grant

competitions. The Professional Development program—CFDA Number 84.299B—is one of the programs included in the pilot project. If you are an applicant under the Professional Development program, you may submit your application to us in either electronic or paper format.

The pilot project involves the use of the Electronic Grant Application System (e-Application). If you use e-Application, you will be entering data online while completing your application. You may not e-mail an electronic copy of a grant application to us. If you participate in this voluntary pilot project by submitting an application electronically, the data you enter online will be saved into a database. We request your participation in e-Application. We shall continue to evaluate its success and solicit suggestions for its improvement.

If you participate in e-APPLICATION, please note the following:

- Your participation is voluntary.
- When you enter the e-Application system, you will find information about its hours of operation. We strongly recommend that you not wait until the application deadline date to initiate an e-Application package.
- You will not receive additional point value because you submit a grant application in electronic format, nor will we penalize you if you submit an application in paper format.
- You may submit all documents electronically, including the Application for Federal Education Assistance (ED 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.
- Your e-Application must comply with any page limit requirements described in this notice.
- After you electronically submit your application, you will receive an automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).

• Within three working days after submitting your electronic application, fax a signed copy of the Application for Federal Education Assistance (ED 424) to the Application Control Center after following these steps:

1. Print ED 424 from e-Application.
2. The institution's Authorizing Representative must sign this form.
3. Place the PR/Award number in the upper right hand corner of the hard copy signature page of the ED 424.
4. Fax the signed ED 424 to the Application Control Center at (202) 260-1349.

• We may request that you give us original signatures on all other forms at a later date.

Application Deadline Date Extension in Case of System Unavailability: If you elect to participate in the e-Application pilot for the Professional Development program and you are prevented from submitting your application on the application deadline date because the e-Application system is unavailable, we will grant you an extension of one business day in order to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

1. You are a registered user of e-Application, and have initiated an e-Application for this competition; and
2. (a) The e-Application system is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or
(b) The e-Application system is unavailable for any period of time during the last hour of operation (that is, for any period of time between 3:30 p.m. and 4:30 p.m., Washington, DC time) on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** (see VII. Agency Contact) or (2) the e-GRANTS help desk at 1-888-336-8930.

You may access the electronic grant application for the Professional Development program at: <http://e-grants.ed.gov>.

If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118.

4. Performance Measures: The Secretary has established the following key performance measures for assessing the effectiveness of the Professional Development program: To increase the percentages of the teacher and principal workforces serving American Indian and Alaska Native students who are themselves American Indian and Alaska Native. The program target is to increase the percentage of American Indian and Alaska Native principals and teachers in public schools with 25 percent or more American Indian and Alaska Native students.

Under the selection criteria "Quality of project services" and "Quality of the project evaluation," we will consider the extent to which the applicant demonstrates a strong capacity to provide reliable data on these indicators.

All grantees will be expected to submit, as part of their performance report, information documenting their progress with regard to these performance measures.
