Preliminary Results of Review

As a result of our review, we preliminarily determine that the following weighted-average dumping margins exist for the period December 1, 2002, through November 30, 2003:

Producer or exporter	Weighted-average margin (percent)
Chandan Steel, Ltd.	1.27
Isibars Steel, Ltd., Zenstar Impex, and Shaktiman Steel Casting Pvt. Ltd.	48.80
The Viraj Group (Viraj Alloys, Ltd. and VSL Wires, Ltd.)	0.00

Pursuant to section 351.224(b) of the Department's regulations, the Department will disclose to parties calculations performed in connection with these preliminary results within five days of the date of publication of this notice. Any interested party may request a hearing within 30 days of publication of this notice. We will notify parties of the exact date, time, and place for any such hearing.

Issues raised in hearings will be limited to those raised in the respective case and rebuttal briefs. Parties who submit case or rebuttal briefs in these proceedings are requested to submit with each argument (1) a statement of the issue, and (2) a brief summary of the argument with an electronic version included. The Department will notify all parties as to the applicable briefing schedule.

As discussed in the Extension of Final Results section above, the Department will publish a notice of final results of this administrative review, which will include the results of its analysis of issues raised in the case briefs, within 180 days from the publication of these preliminary results.

Assessment

Upon issuance of the final results of this review, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries. Pursuant to 19 CFR 351.212(b), the Department has calculated an assessment rate applicable to all appropriate entries. We calculated importer-specific duty assessment rates on the basis of the ratio of the total amount of antidumping duties

calculated for the examined sales to the total entered value, or entered quantity, as appropriate, of the examined sales for that importer. Upon completion of this review, where the assessment rate is above *de minimis*, we will instruct CBP to assess duties on all entries of subject merchandise by that importer.

Cash Deposit

The following cash-deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Act: (1) The cash-deposit rate for each of the reviewed companies will be the rate listed in the final results of review (except that if the rate for a particular company is *de minimis*, i.e., less than 0.5 percent, no cash deposit will be required for that company); (2) for previously investigated companies not listed above, the cash-deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation, but the manufacturer is, the cash-deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash-deposit rate for all other manufacturers or exporters will continue to be the "all others" rate of 48.80 percent, which is the "all others" rate established in the LTFV investigation. These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

Notification to Interested Parties

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

These preliminary results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: December 30, 2004.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.
