Select Panel on Preconception Care: Meeting

Name: Select Panel on Preconception Care.

Times and Dates: 12 noon-4:30 p.m., June 22, 2005. 8 a.m.-4:30 p.m., June 23, 2005.

Place: Marriott Century Center, 2000 Century Blvd NE. Atlanta, GA 30345. (404) 325-0000, fax (404) 325-4920.

Status: Open to the public, limited only by the space available. The meeting room accommodates approximately 65 people.

Purpose: The purpose of this meeting is to seek the individual input of invited panelist, along with that of their peers, in drafting national recommendations for preconception care. The Select Panel on Preconception Care will consist of

nationally recognized experts from a variety of disciplines—all which focus on preconception interventions aimed at promoting women's health and reducing adverse perinatal outcomes. The group will include experts in obstetrics, family practice, pediatrics, public health, nursing, reproductive health, toxic exposures, and chronic and infectious disease.

Matters To Be Discussed: Agenda items include: a review and discussion of relevant issues arising out of the National Summit on Preconception Care; the identification of priority areas for the development of recommendations; discussion of recommended interventions both before the first pregnancy and between pregnancies (*i.e.*, preconception and interconception care), and on population-based and individual-level interventions; and the reconvening of the Panel to finalize recommendations. Additional agenda items include: updates from organizational representatives (*i.e.*, March of Dimes, American College of Obstetrics and Gynecology) on current initiatives; an update on activities from CDC preconception care workgroup representatives, future topics and scheduling the next meeting.

Agenda items are subject to change as priorities dictate.

Designation of a Class of Employees for Addition to the Special Exposure Cohort

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The Department of Health and Human Services ("HHS") gives notice of a decision to designate a class of employees at the Mallinckrodt Chemical Company, Destrehan Street Plant, in Saint Louis, Missouri as an addition to the Special Exposure Cohort (SEC) under the Energy Employees Occupational Illness Compensation Program Act of 2000. On April 11, 2005, the Secretary of HHS designated the following class of employees as an addition to the SEC:

Employees of the Department of Energy (DOE) or DOE contractors or subcontractors employed by the Uranium Division of Mallinckrodt Chemical Works, Destrehan Street Facility, during the period from 1942 through 1948 and whom were employed for a number of work days aggregating at least 250 work days either solely under this employment or in combination with work days within the parameters (excluding aggregate work day requirements) established for other classes of employees included in the SEC.

This designation will become effective on May 12, 2005, unless Congress provides otherwise prior to the effective date. After this effective date, HHS will publish a notice in the **Federal Register** reporting the addition of this class to the SEC or the result of any provision by Congress regarding the decision by HHS to add the class to the SEC.
