3. Applicants may continue to use the form fillable, savable form found in the application package.

Applicants are reminded that the Logic Model completed with their application is to be an Executive Summary of the activities, outputs, and outcomes in the application, not a long narrative or a repetition of the narratives provided elsewhere in the application. The Logic Model training may be accessed from HUD's Web site at <http://www.hud.gov/webcasts/archives/supernofoa05.cfm>.

Applicants that wish to complete the SF 424 Supplement form should obtain a copy of the correct form from HUD's Web site at <http://www.hud.gov/offices/adm/grants/nofa05/snofaforms.cfm>. Applicants may use the Word format version of the form and submit as an attached file to the application, in accordance with the instructions in the General Section for saving Word format documents.
