#### Notice of Extension of Time Limit for the Final Results of Antidumping Duty Administrative Review: Certain Cased Pencils from the People's Republic of China

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** May 20, 2005.

**FOR FURTHER INFORMATION CONTACT:** Paul Stolz or Erin Begnal, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4474 and (202) 482-1442, respectively.

**SUPPLEMENTARY INFORMATION:** On January 12, 2005, the Department of

Commerce (the Department) published in the **Federal Register** the preliminary results of the administrative review of the antidumping duty order on certain cased pencils from the People's Republic of China. *See Certain Cased Pencils from the People's Republic of China; Preliminary Results of Antidumping Duty Administrative Review and Intent to Rescind in Part*, 70 FR 2115 (January 12, 2005). Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), the final results are currently due on May 12, 2005.

#### Extension of Time Limit for Final Results

Section 751(a)(3)(A) of the Trade Act as amended (the Act) provides that the Department may extend the time limit for completion of the final results of an administrative review to a maximum of 180 days if it determines that it is not practicable to complete the final results within the statutory time limit of 120 days from the date on which the preliminary results were published. The Department has determined that, due to the complexity of the issues arising from the calculation of surrogate values, it is not practicable to complete this review within the time limits mandated by section 751(a)(3)(A) of the Act and section 19 CFR 351.213(h)(1) of the Department's regulations. Therefore, the Department is extending the time limit for the completion of these final results until no later than July 11, 2005, which is 180 days from the date on which the notice of the preliminary results was published.

This notice is published in accordance with section 751(a)(3)(A) of the Act and section 19 CFR 351.213(h)(2) of the Department's regulations.

Dated: May 12, 2005.

#### Notice of Final Results of Antidumping Duty Changed Circumstances Review: Polyethylene Terephthalate Film, Sheet and Strip from India

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (the Department) received no comments in response to its preliminary determination that Jindal Poly Films Limited (Jindal Poly Films) is the successor-in-interest to Jindal Polyester Limited (Jindal Polyester). In these final results of review, we have continued to find Jindal Poly Films to be the successor-in-interest to Jindal Polyester.

**EFFECTIVE DATE:** May 20, 2005.

#### FOR FURTHER INFORMATION CONTACT:

Jeffrey Pedersen or Kavita Mohan, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-2769 and (202) 482-3542, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Background

On April 22, 2005, the Department published a notice of preliminary results of its changed circumstances review of the antidumping duty order on polyethylene terephthalate film, sheet and strip (PET film) from India in which it preliminarily determined that Jindal Poly Films is the successor-in-interest to Jindal Polyester. *See Notice of Preliminary Results of Antidumping Duty Changed Circumstances Review: Polyethylene Terephthalate Film, Sheet and Strip from India* 70 FR 20863 (April 22, 2005) (*Preliminary Results*). We invited interested parties to comment on these findings. On April 19, 2005, and April 20, 2005, Jindal Poly Films and petitioners,<sup>1</sup> respectively, submitted letters in which they notified the Department that they would not file comments on the *Preliminary Results*.

##### Scope of the Order

The products covered by this order are all gauges of raw, pretreated, or primed PET film, whether extruded or coextruded. Excluded are metallized films and other finished films that have had at least one of their surfaces modified by the application of a performance-enhancing resinous or inorganic layer of more than 0.00001 inches thick. Imports of PET film are classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) under item number 3920.62.00. HTSUS subheadings are provided for convenience and customs purposes. The written description of the scope of this order is dispositive.

<sup>1</sup> The petitioners are Dupont Teijin Films, Mitsubishi Polyester Film of America, and Toray Plastics (America), Inc.

### Final Results of Changed Circumstances Review

Given that we received no comments from interested parties on the *Preliminary Results*, and for the reasons stated in the *Preliminary Results*, we find Jindal Poly Films to be the successor-in-interest to Jindal Polyester for antidumping duty cash deposit purposes. We will instruct U.S. Customs and Border Protection to suspend shipments of subject merchandise made by Jindal Poly Films, entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this changed circumstances review at Jindal Polyester's antidumping duty cash deposit rate. See *Granular Polytetrafluoroethylene Resin from Italy; Final Results of Antidumping Duty Changed Circumstances Review*, 68 FR 25327 (May 12, 2003). This deposit rate shall remain in effect until publication of the final results of the next antidumping duty administrative review in which Jindal Poly Films participates.

We are issuing and publishing this determination and notice in accordance with sections 751(b)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and section 351.216(e) of the Department's regulations.

Dated: May 12, 2005.
