[File No. 500-1]

In the Matter of GLUV Corp.; Order of Suspension of Trading

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above listed company.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange

Act of 1934, that trading in the above-listed company is suspended for the period from 9:30 a.m. e.d.t. May 27, 2005, through 11:59 p.m. e.d.t., on June 10, 2005.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-51743; File No. SR-CBOE-2005-21]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Order Granting Approval of Proposed Rule Change Relating to the Exchange's Calculation of the National Best Bid or Offer When Another Exchange Is Disconnected From the Intermarket Option Linkage

May 25, 2005.

On March 17, 2005, the Chicago Board Options Exchange, Incorporated ("CBOE" or "Exchange"), filed with the Securities and Exchange Commission ("Commission") a proposed rule change pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² to amend its rule regarding the calculation of the National Best Bid or Offer ("NBBO") when another participant exchange in the Plan for the Purpose of Creating and Operating an Intermarket Option Linkage ("Linkage Plan") is disconnected from the Linkage.³ The proposed rule change was published for comment in the *Federal Register* on April 21, 2005.⁴ The Commission received no comments on the proposal. This order approves the proposed rule change.

After careful consideration, the Commission finds that the proposed rule change is consistent with the requirements of Section 6 of the Act⁵ and the rules and regulations thereunder applicable to a national securities exchange.⁶ In particular, the

Commission finds that the proposed rule change is consistent with Section 6(b)(5) of the Act,⁷ which requires, among other things, that the rules of CBOE be designed to promote just and equitable principles of trade, remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Commission believes that it is appropriate for CBOE to remove an exchange's disseminated quote from CBOE's determination of the NBBO when an exchange is disconnected from Linkage because access to that exchange's quote is limited during such times. The Commission further believes that CBOE's existing rules establish appropriate procedures to notify promptly the affected exchange and CBOE members of such removal and establish an appropriate standard for when to resume inclusion of the affected exchange's quote in CBOE's NBBO calculation.⁸

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁹ that the proposed rule change (SR-CBOE-2005-21) is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁰

Margaret H. McFarland,

Deputy Secretary.
