- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application. V. Application Review Information

1. *Selection Criteria:* The selection criteria for this competition are in 34 CFR 366.27.

2. *Review and Selection Process:* An additional factor we consider in selecting an application for an award is comments regarding the application, if any, by the State Independent Living Council in the State in which the applicant is located.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual

performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118.

4. *Performance Measures:* The Government Performance and Results Act (GPRA) of 1993 directs Federal departments and agencies to improve the effectiveness of their programs by engaging in strategic planning, setting outcome-related goals for programs, and measuring program results against those goals.

The goal of the Centers for Independent Living program is to promote and practice the independent living philosophy of consumer control of the center regarding decisionmaking, service delivery, management, and establishment of the policy and direction of the center; self-help and self-advocacy; development of peer relationships and peer role models; and the equal access of individuals with significant disabilities to society and to all services, programs, activities, resources, and facilities, whether public or private and regardless of the funding source.

In order to measure the success of one component of meeting this goal, each grantee is required to track the number of individuals who leave nursing homes and other institutions for community-based housing due to independent living services provided by the center. In annual performance reports, centers are required to provide information on the number of individuals requesting this service and the number of individuals who successfully relocated from institutionalized to community-based living. The Rehabilitation Services Administration is currently in the process of revising its annual data report for future use to better capture this data directly from grantees.
