Background.—This investigation is being instituted in response to a petition filed on June 29, 2005, by Stuebing Automatic Machine Company, Cincinnati, Ohio.

Participation in the investigation and public service list.—Persons (other than petitioners) wishing to participate in the investigation as parties must file an entry of appearance with the Secretary to the Commission, as provided in sections 201.11 and 207.10 of the Commission's rules, not later than seven days after publication of this notice in the **Federal Register**. Industrial users and (if the merchandise under investigation is sold at the retail level) representative consumer organizations have the right to appear as parties in Commission antidumping investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to this investigation upon the expiration of the period for filing entries of appearance.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in this investigation available to authorized applicants representing interested parties (as defined in 19 U.S.C. 1677(9)) who are parties to the investigation under the APO issued in the investigation, provided that the application is made not later than seven days after the publication of this notice in the **Federal Register**. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Conference.—The Commission's Director of Operations has scheduled a conference in connection with this investigation for 9:30 a.m. on July 20, 2005, at the U.S. International Trade Commission Building, 500 E Street, SW., Washington, DC. Parties wishing to participate in the conference should contact Joanna Lo (202–205–1888) not later than July 15, 2005, to arrange for their appearance. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the conference.

Parties may file written testimony in connection with their presentation at the conference no later than three days before the conference. If briefs or written testimony contain BPI, they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 FR 68036 (November 8, 2002). DEPARTMENT OF JUSTICE

[AAG/A Order No. 002-2005]

Privacy Act of 1974; Notice of New System of Records

Pursuant to the provisions of the Privacy Act of 1974, 5 U.S.C. 552a, notice is given that the Department of Justice proposes to establish a new Departmentwide system of records entitled, “Department of Justice Regional Data Exchange System (RDEX)” DOJ-012. This new system of records consists of unclassified criminal law enforcement records collected and produced by the following Department of Justice components: the Federal Bureau of Prisons; the United States

Marshals Service; and the State of Washington field offices of the Bureau of Alcohol, Tobacco, Firearms, and Explosives, the Drug Enforcement Administration, and the Federal Bureau of Investigation. This information is being contributed to and maintained in this system as part of the Department of Justice's Law Enforcement Information Sharing Program (LEISP). A principal purpose of LEISP is to ensure that Department of Justice criminal law enforcement information is available for users at all levels of government so that they can more effectively investigate, disrupt, and deter criminal activity, including terrorism, and protect the national security. RDEX furthers this purpose by consolidating certain law enforcement information from other Department of Justice systems in order that it may more readily be available for sharing with other law enforcement entities. As an initial pilot program, RDEX will serve as a technical interface between the Department and federal, state, and local members of the Northwest Law Enforcement Information Exchange, which is a regional law enforcement information sharing system. Because this system consists of information from other existing Department of Justice systems, the routine uses applicable to this system are substantially the same as those that apply to those systems and that have previously been published by the individual Department of Justice components that contributed the information.

In accordance with 5 U.S.C. 552a(e)(4) and (11), the public is given a 30-day period in which to comment; and the Office of Management and Budget (OMB), which has oversight responsibility under the Privacy Act, requires a 40-day period in which to conclude its review of the system. Therefore, please submit any comments by August 10, 2005. The public, OMB, and Congress are invited to submit any comments to Mary E. Cahill, Management Analyst, Management and Planning Staff, Justice Management Division, United States Department of Justice, Washington, DC, 20530-0001 (Room 1400, National Place Building).

In accordance with 5 U.S.C. 552a(r), the Department has provided a report of this new system of records to OMB and Congress.

Dated: June 30, 2005.

Paul R. Corts,

Assistant Attorney General for Administration.
