Applicability of SuperNOFA General Section and Service Coordinators in Multifamily Housing Program NOFA Requirements to Reopened Competition

Submission Instructions

If you have already submitted an application electronically through Grants.gov and received a confirmation of successful receipt from Grants.gov, you do not need to resubmit another application. If you submitted a paper application, however, without first obtaining a waiver from the electronic submission requirement, you must resubmit your applications electronically or by paper submission. If an applicant decides to resubmit an application, the applicant must download a new application package and submit a complete new application. HUD will not accept partial amendments to applications that were previously submitted.

Applicants that have already submitted an application do not need to resubmit another application. However, if an applicant chooses to make any changes to an application that has already been submitted, it must download a new application from Grants.gov, complete the application, and resubmit by the new deadline date. HUD will review the most recent application and disregard any previously submitted application.

Applicants are encouraged to complete their registration and submit their electronic applications through Grants.gov as described in the SuperNOFA. In addition, for this FY2005 reopened funding opportunity, an applicant may submit a paper application without requesting a waiver from this requirement. HUD does not intend to accept paper applications in the future without a waiver. Applicants that choose to submit a paper application must submit an original and two copies by mail or permitted delivery service to the appropriate HUD Multifamily (MF) Hub or Program Center office identified on HUD's Web

site at <http://www.hud.gov/offices/adm/grants/nofa05/scmhflldofflist.doc>. Please do not use the field office list provided in the General Section of the SuperNOFA, published March 21, 2005 (70 FR 13575).

As described in section IV.F.5.b of the General Section, applicants submitting a paper application must use the United States Postal Service (USPS) to submit its application to HUD. Applicants must take their application to a post office to get a receipt of mailing that provides the date and time the package was submitted to the USPS. USPS rules now require that large packages must be brought to a postal facility for mailing. In many areas, the USPS has made a practice of returning to the sender, large packages that have been dropped in a mail collection box. Paper copy applications submitted to the USPS by the submission date and time and received by HUD no later than 15 days after the established submission date will receive funding consideration. If the USPS does not have a receipt with a digital time stamp, HUD will accept a receipt showing USPS Form 3817, Certificate of Mailing with a dated postmark. The proof of submission receipt provided by the Postal Service must show receipt no later than the application submission deadline. Applicants whose applications are determined to be late, who cannot furnish HUD with a receipt from the USPS that verifies the package was submitted to the USPS prior to the submission due date and time will not receive funding consideration. Applicants may use any type of mail service provided by the USPS to have their application package delivered to HUD in time to meet the submission requirements.

HUD will not accept hand delivery of applications.

Dated: July 29, 2005.

General Deputy Assistant Secretary for Housing—Federal Housing Commissioner.
