DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Pacific Islands Region Seabird-Fisheries Side-setting Survey.

Form Number(s): None.

OMB Approval Number: None.

Type of Request: Regular submission.

Burden Hours: 12.

Number of Respondents: 24.

Average Hours Per Response: 30 minutes.

Needs and Uses: The Western Pacific Fishery Management Council is proposing mitigation measures to reduce interactions between seabirds and the Hawaii-based pelagic longline fishery, by requiring longline vessel operators to use either side-setting (setting the longline fishing gear from the side of the vessel rather than the stern) or the current suite of seabird mitigation measures, plus tori lines. Although side-setting shows to be the most promising mitigation technique in terms of effectiveness, additional information is needed.

Vessel operators currently voluntarily side-setting will be asked to provide data on the operational benefits of side-setting as well as the effectiveness of side-setting as a seabird deterrent. This collection of information is intended to provide NMFS with information as to the cost, availability of equipment, and operational use of equipment, required for side-setting. This information will be used to determine whether it is feasible and cost effective for Hawaii longline vessels to convert to side setting, and to formulate specifications for vessels side-setting.

Affected Public: Business or other for-profit organizations; individuals or households.

Frequency: One time only.

Respondent's Obligation: Voluntary.

OMB Desk Officer: David Rostker, (202) 395-3897.

SUPPLEMENTARY INFORMATION

I. Abstract

The Census Bureau plans to request an extension for the quarterly retirement

survey. The quarterly survey was initiated by the Census Bureau in 1968 at the request of both the Council of Economic Advisers and the Federal Reserve Board. It gathers data on the assets of the 100 largest state and local government public-employee retirement systems. These systems hold over \$2 trillion in assets, which represent approximately 90 percent of all state and local government public-employee retirement system assets.

These important data are used by the Federal Reserve Board to track the public sector portion of the flow of funds accounts. The Bureau of Economic Analysis uses the data on corporate stock holdings to estimate dividends received by state and local government public-employee retirement systems. These estimates, in turn are used as a component in developing the national income and product accounts.

II. Method of Collection

Canvass methodology consists of a mail out/mail back questionnaire. Responses are screened manually, then put into an electronic format. No statistical methods are used to calculate the data.

Respondents may choose to report their data over our Internet site. In addition to reporting current quarter data on the Internet, respondents may report for the first time for the previous two quarters or submit revisions to their previously submitted data if needed.

In those instances when we are not able to obtain a response, estimates are made for nonrespondents based on historical data for that same system.

III. Data

OMB Number: 0607-0143.

Form Number: F-10.

Type of Review: Regular.

Affected Public: State and local government retirement systems.

Estimated Number of Respondents: 100.

Estimated Time Per Response: 45 minutes.

Estimated Total Annual Burden Hours: 300.

Estimated Total Annual Cost: \$5,934.

Note.—Based upon the average hourly pay of \$19.78 for full-time employment for the financial administration function for state government employees in the 2004 Survey of State and Local Government Employment.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C., Section 182.
