BILLING CODE 7710-12-P

POSTAL SERVICE

39 CFR Part 20

International Mail: Republic of the Marshall Islands and Federated States of Micronesia

AGENCY: Postal Service.

ACTION: Proposed rule.

SUMMARY: Under an agreement negotiated by the United States government with the Republic of the Marshall Islands and the Federated States of Micronesia, mail destined to those two countries will now use the international rate schedules. This proposal would amend the *International Mail Manual* (IMM) to include the Republic of the Marshall Islands and the Federated States of Micronesia in all international products and services and add them to the individual country listings.

DATES: Submit comments on or before October 17, 2005.

ADDRESSES: Mail or deliver comments to the Manager, Mailing Standards, Attn: Obataiye Akinwole, U.S. Postal Service, 475 L'Enfant Plaza SW., RM 3436, Washington DC 20260-3436. You may also fax written comments to 202-268-4955. You may inspect and photocopy all written comments between 9 a.m. and 4 p.m., Monday through Friday, at

USPS Headquarters Library, 11th Floor North, 475 L'Enfant Plaza SW., Washington DC.

FOR FURTHER INFORMATION CONTACT:

Obataiye B. Akinwole at 202-268-7262, or Thomas P. Philson at 202-268-7355.

SUPPLEMENTARY INFORMATION: The United States government negotiated an agreement with two former United States Trust Territories, the Republic of the Marshall Islands and the Federated States of Micronesia. As a part of that agreement, mail destined to those two countries will now use the international rate schedules. As provided in the agreement, international rates will be phased in over a period of not less than five years, beginning no sooner than 2006.

For all international services with domestic equivalents, rates will be phased in using the difference between the domestic rates and the international rates. These services include Express Mail, Air Letters, Postcards, Publishers' Periodicals, Air Parcel Post, Economy Parcel Post, and Books and Sheet Music.

For international services without domestic equivalents, phased rates were derived by selecting a lower rate country group. After the phasing period, the Republic of the Marshall Islands and the Federated States of Micronesia will be in country group 5 for Economy Letter Post, Airmail M-Bags, and Economy M-Bags and country group 7 for International Priority Airmail (IPA). To phase in these rates over at least five years the Republic of the Marshall Islands and the Federated States of Micronesia have been assigned to country group 3 for those services during the first phase. Aerogramme service does not have a domestic

equivalent; however, there is only one worldwide rate available.

Initially, three international services will not be offered for mail destined to the Republic of the Marshall Islands and the Federated States of Micronesia: Global Express Guaranteed® (GXG™), Global Priority Mail® (GPM), and International Surface Air Lift (ISAL). These services require special transportation arrangements and may be offered in the future.

The rates, fees, and conditions of mailing proposed in this notice, if adopted, would become effective concurrent with any domestic rates adopted as a result of the current proceedings before the Postal Rate Commission (Docket No. R2005-1). All regulatory changes necessary to implement this proposal are given below.

Although exempt from the notice and comment requirements of the Administrative Procedure Act [5 U.S.C. 553 (b), (c)] regarding proposed rulemaking by 39 U.S.C. 410(a), the Postal Service invites public comment on the following proposed revisions to the *International Mail Manual* (IMM), incorporated by reference in the Code of Federal Regulations. See 39 CFR 20.1.

BILLING CODE 7710-12-P

Atmospheric Administration (NOAA),
Commerce.**ACTION:** Availability of fishery
management plan amendment; request
for comments.

SUMMARY: NMFS announces the availability of Generic Amendment 3 to the Fishery Management Plans (FMP) of the Gulf of Mexico (EFH Amendment 3) prepared by the Gulf of Mexico Fishery Management Council (Council). EFH Amendment 3 would amend each of the seven Council FMPs -coral and coral reef resources, coastal migratory pelagics, red drum, reef fish, shrimp, spiny lobster, and stone crab- to describe and identify essential fish habitat (EFH); minimize to the extent practicable the adverse effects of fishing on EFH; and encourage conservation and management of EFH. This amendment would establish additional habitat areas of particular concern (HAPC), restrict fishing activities within HAPCs to protect EFH, and require a weak link in bottom trawl gear to protect EFH. The intended effect of EFH Amendment 3 is to facilitate long-term protection of EFH, and, thus, better conserve and manage fishery resources in the Gulf of Mexico.

DATES: Written comments must be received no later than 5 p.m., eastern time, on November 14, 2005.

ADDRESSES: You may submit comments by any of the following methods:

Lois Avenue, Suite 1100, Tampa, FL 33607; telephone: 813-348-1630; fax: 813-348-1711; e-mail: gulfcouncil@gulfcouncil.org.

SUPPLEMENTARY INFORMATION: EFH Amendment 3 addresses fisheries under the FMPs for coral and coral reef resources, coastal migratory pelagics, red drum, reef fish, shrimp, spiny lobster, and stone crab. The FMPs were prepared by the Council, except for the FMPs for coastal migratory pelagics and spiny lobster, which were prepared jointly by the South Atlantic and Gulf of Mexico Fishery Management Councils. All of these FMPs, except the spiny lobster and stone crab FMPs, are implemented under the authority of the
