Issuer Delisting; Notice of Application of Deere & Company To Withdraw Its Common Stock, \$1.00 Par Value, From Listing and Registration on the Chicago Stock Exchange, Inc.

September 21, 2005.

On August 31, 2005, Deere & Company, a Delaware corporation ("Issuer"), filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its common stock, \$1.00 par value ("Security"), from listing and registration on the Chicago Stock Exchange, Inc. ("CHX").

The Board of Directors ("the Board") of the Issuer approved a resolution on May 26, 2005 to withdraw the Security from listing on CHX. The Issuer stated that the Board decided to withdraw the Security from listing on CHX because it was not in the shareholders' best interest to maintain a listing on multiple stock exchanges. The Issuer stated that the principal stock exchange on which the Security trades is the New York Stock Exchange, Inc. ("NYSE") and the Security will continue to be traded on NYSE.

The Issuer stated in its application that it has complied with applicable rules of CHX by complying with all applicable laws in the State of Delaware, the state in which the Issuer is incorporated, and by providing CHX with the required documents governing the withdrawal of securities from listing and registration on CHX. The Issuer's application relates solely to the withdrawal of the Security from listing on CHX and shall not affect its continued listing on NYSE, or its obligation to be registered under Section 12(b) of the Act.³

Any interested person may, on or before October 11, 2005 comment on the facts bearing upon whether the application has been made in accordance with the rules of CHX, and what terms, if any, should be imposed by the Commission for the protection of investors. Northeast Utilities, et al. (70-10315)

Northeast Utilities ("NU"), a public utility holding company registered under the Act, located at One Federal Street, Springfield Massachusetts, 01105; has filed a Declaration seeking authorization under sections 6(a) and 7 of the Act and rules 53 and 54 under the Act for debt and equity financing and related transactions. NU is the parent of a number of companies comprising the

NU system (the "System") and is not itself an operating company. The System furnishes franchised retail electric service in Connecticut, New Hampshire and western Massachusetts through three of NU's wholly-owned subsidiaries, The Connecticut Light and Power Company, Public Service Company of New Hampshire and Western Massachusetts Electric Company. In addition, NU owns Holyoke Water Power Company ("HWP"), a utility for purposes of the Act. HWP owns a 147 megawatt coal-fired plant in Holyoke, Massachusetts and sells all of the output of its generation assets directly to a non-utility affiliate, Select Energy, Inc., under a wholesale contract.

NU is also the parent of Yankee Energy System, Inc. ("YES"), an exempt gas utility holding company. YES is primarily engaged in the retail distribution of natural gas through its wholly-owned subsidiary, Yankee Gas Services Company, a Connecticut retail gas distribution company, and also has several nonutility subsidiaries.

NU Enterprises, Inc. ("NUEI"), a wholly-owned subsidiary of NU, acts as the holding company for NU's unregulated businesses. NUEI has numerous direct and indirect nonutility subsidiaries, including, Select Energy, Inc.; Northeast Generation Company ("NGC"), the system's only exempt wholesale generator ("EWG"); Mode 1 Communications, Inc. and Woods Network Services, Inc., exempt telecommunications companies as defined in Section 34 of the Act; Select Energy Services, Inc., a nonutility subsidiary whose securities NUEI acquired pursuant to express Commission authorization (see Holding Co. Act Release No. 26939, November 12, 1998); and other "energy-related companies" as defined in Rule 58 under the Act, such as E.S. Boulou Company and Northeast Generation Services Company.

The current authorization of NU to engage in long-term financing transactions and other related transactions is set forth in Release No. 35-27659, 70-10051 (March 18, 2003) (the "Prior Order"). The Prior Order authorized NU to issue up to \$600 million in long-term debt and to enter into hedging transactions with respect to existing indebtedness of NU and its nonutility subsidiaries ("Nonutility Subsidiaries")¹ and enter into hedging

transactions with respect to future expected debt issuances of NU and its Nonutility Subsidiaries through June 30, 2005. Under the Prior Order, NU, in March 2003 executed two rate swaps from fixed to floating rates on \$263 million of 7.25% Senior notes, Series A, due 2012, and in June 2003, NU issued \$150 million of 3.30% Senior Notes, Series B, due 2008. On June 30, 2004 (Release No. 35-27870, File No. 70-9755), the Commission authorized NU to issue up to \$450 million in short-term debt through June 30, 2007 and to also enter into interest rate hedges on such debt.

NU requests approval for a program of external financing and other related proposals for the period commencing upon the issuance of the Commission order sought through this Declaration and extending through February 8, 2006 ("Authorization Period"). Specifically, NU is requesting authorization:

(i) To issue and sell, from time to time during the Authorization Period, any combination of the following types of securities, provided that the aggregate amount of all such new securities issued during the Authorization Period shall not exceed \$750 million outstanding at any time: (A) common shares (including options and warrants exercisable for common shares), share purchase contracts ("Share Purchase Contracts"), share units consisting of a Share Purchase Contract coupled with a debt security or preferred security of NU or an affiliated entity ("Share Purchase Units") and/or other equity or equity-linked securities of types generally sold in the current marketplace (collectively, "Equity Securities"), (B) preferred securities (including without limitation preferred stock and monthly income preferred trust securities) ("Preferred Securities"), and (C) long-term debt securities having maturities of one to fifty years ("Long-term Debt"); and

(ii) To the extent not exempt under Rule 52, to enter into various risk management instruments commonly used in today's capital markets to manage equity price and credit risk ("Equity Hedges"), to manage interest rate risk with respect to existing indebtedness of NU and its Nonutility Subsidiaries ("Interest Rate Hedges" and collectively with Equity Hedges, "Hedges"), and to enter into hedging transactions ("Anticipatory Hedges") with respect to anticipatory debt issuances of NU and its Nonutility Subsidiaries in order to lock in current interest rates and/or manage interest rate risk exposure.

¹ Nonutility Subsidiaries include companies formed according to rule 58 of the Act, EWGs, foreign utility companies, as defined in the Act, exempt telecommunications companies and other competitive direct or indirect subsidiaries of NU,

the acquisition of which has been authorized by Commission orders.
