Notice of Continuation of Antidumping Duty Order on Certain Non-Frozen Apple Juice Concentrate from the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: November 2, 2005.

FOR FURTHER INFORMATION CONTACT: Maureen Flannery at (202) 482-3020 or Frances Veith at (202) 482-4295, AD/CVD Operations, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC, 20230.

SUMMARY: The U.S. Department of Commerce (Department), pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act), has determined that revocation of the antidumping duty order on certain non-frozen apple juice concentrate (NFAJC) from the People's Republic of China (PRC) would likely lead to continuation or recurrence of dumping. On October 21, 2005, the International Trade Commission (ITC), pursuant to section 751(c) of the Act, determined that revocation of the antidumping duty order on certain NFAJC from the PRC would likely lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. Therefore, pursuant to 19 CFR 351.218(f)(4), the Department is publishing notice of the continuation of the antidumping duty order on certain NFAJC from the PRC.

SUPPLEMENTARY INFORMATION:

Background

On May 2, 2005, the Department initiated, and the ITC instituted, a sunset review of the antidumping duty order on certain NFAJC from the PRC, pursuant to section 751(c) of the Act. *See Initiation of Five-year (Sunset) Reviews*, 70 FR 22632 (May 2, 2005) and *Non-Frozen Concentrate Apple Juice from China*, 70 FR 22694 (May 2, 2005). As a result of its review, the Department found that revocation of the antidumping duty order would likely lead to continuation or recurrence of dumping and notified the ITC of the magnitude of the margins likely to prevail were the order revoked. *See Non-Frozen Apple Juice Concentrate from the People's Republic of China (PRC); Notice of Final Results of Expedited Sunset Review of Antidumping Duty Order*, 70 FR 53339 (September 8, 2005). On October 21, 2005, the ITC determined, pursuant to section 751(c) of the Act, that revocation of the antidumping duty order on certain NFAJC would likely lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. *See Non-Frozen Concentrated Apple Juice from China*, 70 FR 61309 (October 21, 2005).

Scope of the Order

The product covered by this antidumping order is certain NFAJC. Certain NFAJC is defined as all non-frozen concentrated apple juice with a Brix scale of 40 or greater, whether or not containing added sugar or other sweetening matter, and whether or not fortified with vitamins or minerals. Excluded from the scope of this order are: frozen concentrated apple juice; non-frozen concentrated apple juice that has been fermented; and non-frozen concentrated apple juice to which spirits have been added.

The merchandise subject to this order is currently classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) at subheadings 2106.90.52.00, and 2009.70.00.20 before January 1, 2002, and 2009.79.00.20 on or after January 1, 2002. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

Determination

As a result of the determinations by the Department and the ITC that revocation of this antidumping duty order would be likely to lead to continuation or recurrence of dumping and material injury to an industry in the

United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty order on certain NFAJC from the PRC. U.S. Customs and Border Protection will continue to collect antidumping duty deposits at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of continuation of this order is the date of publication of the **Federal Register** of this Notice of Continuation in accordance with 19 CFR 351.218(f)(4). Pursuant to sections 751(c)(2) and 751(c)(6) of the Act, the Department intends to initiate the next five-year review of this order not later than October 2010.

We are issuing and publishing the results and notice in accordance with sections 751(c) and 752, and 777(i)(1) of the Act.

Dated: October 27, 2005.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Silicon Metal from Brazil: Notice of Court Decision Not in Harmony

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On October 6, 2005, in *Elkem Metals Company and Globe Metallurgical Inc., v. United States*, Slip Op. 05-134, the Court of International Trade (CIT) affirmed the Final Results of Redetermination Pursuant to Court Remand (Remand Redetermination) issued by the Department of Commerce (the Department) on July 14, 2004. Consistent with the decision of the U.S. Court of Appeals for the Federal Circuit (CAFC) in *Timken Co. v. United States*, 893 F.2d 337 (Fed. Cir. 1990) (*Timken*), the Department will continue to order the suspension of liquidation of the subject merchandise, where appropriate, until there is a "conclusive" decision in this case. If the case is not appealed, or if it is affirmed on appeal, the Department will instruct U.S. Customs and Border Protection (CBP) to liquidate all relevant entries from Companhia Brasileira Carbureto De Calcio (CBCC) and Electrosilex, S.A. (Electrosilex), as appropriate.

EFFECTIVE DATE: November 2, 2005.

FOR FURTHER INFORMATION CONTACT: Zev Primor, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave., NW., Washington, DC 20230; telephone: (202) 482-4114, fax: (202) 482-5105.

SUPPLEMENTARY INFORMATION:

Background

On February 23, 2001, the Department published the final results of administrative review of the antidumping duty order on silicon metal from Brazil for the period July 1, 1998, through June 30, 1999. *See Silicon Metal from Brazil; Final Results of Antidumping Duty Administrative Review and Determination Not to Revoke in Part*; 66 FR 11256 (February 23, 2001) (*Final Results*). CBCC and Electrosilex filed a lawsuit challenging certain aspects of the *Final Results*. Specifically, CBCC argued that the Department used an incorrect interest rate to calculate its home market imputed credit expense, while Electrosilex asserted that the Department's decision to apply total adverse facts available (AFA) was not in accordance with law and unsupported by record evidence. On April 15, 2004, the CIT remanded this case back to the Department and instructed it "...to impute anew (1) CBCC's home-market credit costs and (2) Electrosilex's margin of dumping for the period of review implicated that is in accordance with law and supported by substantial evidence on the record." *See Elkem Metals Company and Globe Metallurgical Inc., v. United States*, Slip Op. 04-36. The Department issued its final results of remand redetermination on July 14, 2004. *See Remand Redetermination*. On October 6, 2005, the CIT affirmed the Department's final results of remand redetermination in their entirety.

Suspension of Liquidation

The CAFC, in *Timken*, held that the Department must publish notice of a decision of the CIT or the CAFC which is not in harmony with the Department's determination. Publication of this notice fulfills that obligation. The CAFC also held that the Department must suspend liquidation of the subject merchandise until there is a "conclusive" decision in the case. Therefore, pursuant to *Timken*, the Department must continue to suspend liquidation of unliquidated entries pending the expiration of the period to appeal the CIT's October 6, 2005, decision affirming the Department's remand results or pending a final decision of the CAFC if that

decision is appealed. Upon expiration of the period to appeal, or if the CIT's decision is appealed and the CAFC's decision is not in harmony with the Department's determination in the *Final Results*, the Department will publish in the **Federal Register** a notice of amended final results for the 1998-1999 administrative review of silicon metal from Brazil.

We are issuing and publishing this notice in accordance with section 516A(c)(1) of the Tariff Act of 1930, as amended.

Dated: October 26, 2005.

Acting Assistant Secretary for Import Administration.
