Petroleum Wax Candles from the People's Republic of China: Extension of Time Limit for Preliminary Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("the Department") is extending the time limit for the preliminary results of the review of petroleum wax candles ("candles") from the People's Republic of China ("PRC"). This review covers the period August 1, 2004, through July 31, 2005.

EFFECTIVE DATE: March 30, 2006.

FOR FURTHER INFORMATION CONTACT:

Cindy Lai Robinson, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-3797.

SUPPLEMENTARY INFORMATION:

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a

maximum of 365 days after the last day of the anniversary month.

Background

On September 28, 2005, the Department published a notice of initiation of a review of candles from the PRC covering the period August 1, 2004, through July 31, 2005. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 70 FR 56631 (September 28, 2005).

Extension of Time Limit of Preliminary Results

The Department determines that this review is extraordinarily complicated and that completion of the preliminary results of this review within the 245-day period is not practicable. Specifically, the Department requires additional time to examine whether the respondent, Qingdao Youngson Industrial Co., Ltd. ("Youngson"), is affiliated with other PRC producers and to conduct verification of Youngson's questionnaire responses.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for the completion of the preliminary results of the review by 45 days to June 17, 2006. However, June 17, 2006, falls on Saturday, and it is the Department's long-standing practice to issue a determination the next business day when the statutory deadline falls on a weekend, federal holiday, or any other day when the Department is closed. *See Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005). Accordingly, the deadline for completion of the preliminary results is June 19, 2006. The final results continue to be due 120 days after the publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(2) and 777(i)(1) of the Act.

Dated: March 23, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Certain Softwood Lumber Products from Canada: Notice of Rescission of Antidumping Duty Changed Circumstances Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 30, 2006.

SUMMARY: On January 19, 2006, the Department of Commerce (the Department) published in the **Federal Register** a notice announcing the initiation of a changed circumstances review of the antidumping duty order on certain softwood lumber products from Canada. *See Initiation of Antidumping Duty Changed Circumstances Review: Certain Softwood Lumber Products from Canada* 71 FR 4350 (January 19, 2006) (*Initiation Notice*). The review was requested by Weyerhaeuser Company Limited and Weyerhaeuser Saskatchewan Limited (collectively, Weyerhaeuser). We are now rescinding this review as a result of Weyerhaeuser's withdrawal of its request for a changed circumstances review.

FOR FURTHER INFORMATION CONTACT:

Salim Bhabhrawala or Constance Handley at (202) 482-1784 or (202) 482-0631, respectively, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

In accordance with 19 CFR 351.216(b), Weyerhaeuser, a Canadian producer of softwood lumber products, filed a request for a changed circumstances review of the antidumping duty order on certain softwood lumber products from Canada. On January 19, 2006, in accordance with 19 CFR 351.221(c)(3), we published the initiation of a changed circumstances review of this order. *See Initiation Notice*. On March 6, 2006, Weyerhaeuser withdrew its request for a changed circumstances review.

Rescission of Changed Circumstances Review

The Department's regulations provide that the Department will rescind an administrative review if the party that requested the review withdraws the request within ninety days of the date

of publication of the notice of initiation of the requested review. Section 351.213(d)(1) of the Department's regulations regarding review request withdrawals does not specifically reference changed circumstances administrative reviews. In this case, Weyerhaeuser withdrew its request for a changed circumstances review within ninety days of the review being initiated, the time period the Department generally considers reasonable for withdrawing requests for administrative reviews. Therefore, the Department has accepted Weyerhaeuser's withdrawal request in this case as timely.¹

The Department is now rescinding this antidumping duty changed circumstances review. U.S. Customs and Border Protection will continue to suspend entries of subject merchandise at the appropriate cash deposit rate for all entries of certain softwood lumber products from Canada.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with 19 CFR 351.213(d)(4) and section 777(i)(1) of the Tariff Act of 1930, as amended.

Dated: March 23, 2006.

SUPPLEMENTARY INFORMATION:

I. Abstract

The National Marine Fishery Services Pacific Islands Region (PIR) manages the U.S. fisheries of the Exclusive Economic Zone (EEZ) in the western Pacific under five fishery management plans (FMPs), prepared by the Western Pacific Fishery Management Council pursuant to the Magnuson-Stevens Fishery Conservation and Management Act. The regulations implementing the FMPs are found at 50 CFR part 660.

The record keeping and reporting requirements at 50 CFR part 660 form the basis for this collection of information. PIR requests information from participants in the fisheries and interested persons. This information, upon receipt, results in an increasingly more efficient and accurate database for the management and monitoring of fisheries of the EEZ in the western Pacific.

II. Method of Collection

Paper submissions, electronic reports, and telephone calls are required from participants. Other methods of submittal include Internet and facsimile transmission of paper forms.
