

**DEPARTMENT OF LABOR****Employment and Training  
Administration****Labor Surplus Area Classification  
Under Executive Orders 12073 and  
10582****ACTION:** Notice.

**SUMMARY:** The purpose of this notice is to announce the annual list of labor surplus areas for Fiscal Year 2006.

**DATES:** *Effective Date:* The annual list of labor surplus areas is effective October 1, 2005 for all states.

**FOR FURTHER INFORMATION CONTACT:**

Anthony D. Dais, Office of Workforce Investment, Employment and Training Administration, 200 Constitution Avenue, NW., Room S-4231, Washington, DC 20210. Telephone: (202) 693-2784.

**SUPPLEMENTARY INFORMATION:** The Department of Labor regulations implementing Executive Orders 12073 and 10582 are set forth at 20 CFR part 654, subparts A and B. These regulations require the Assistant Secretary of Labor for the Employment and Training Administration (ETA) to classify jurisdictions as labor surplus areas pursuant to the criteria specified in the regulations and to publish annually a list of labor surplus areas. Pursuant to those regulations, the Assistant Secretary of Labor is hereby publishing the annual list of labor surplus areas.

In addition, the regulations provide exceptional circumstance criteria for classifying labor surplus areas when catastrophic events, such as natural disasters, plant closings, and contract cancellations are expected to have a long-term impact on labor market area conditions, discounting temporary or seasonal factors.

**Eligible Labor Surplus Areas***Procedures for Classifying Labor  
Surplus Areas*

Labor surplus areas are classified on the basis of civil jurisdictions rather than on a metropolitan areas or labor market areas under the labor surplus area classification methodology. Civil jurisdictions are defined as all cities with a population of at least 25,000 and all counties. Townships with a population of 25,000 or more are also considered as civil jurisdictions in four states (Michigan, New Jersey, New York, and Pennsylvania). In Connecticut, Massachusetts, Puerto Rico, and Rhode Island where counties have very limited or no government functions, the

classifications are done for individual towns.

A civil jurisdiction is classified as a labor surplus area when its average unemployment rate was at least 20 percent above the average unemployment rate for all states (including the District of Columbia and Puerto Rico) during the previous two calendar years. During periods of high national unemployment, the 20 percent ratio is disregarded and an area is classified as a labor surplus area if its unemployment rate during the previous two calendar years was 10 percent or more. This 10 percent ceiling concept comes into operation whenever, the two-year average unemployment rate for all states was 8.3 percent or above (i.e., 8.3 percent times the 1.20 ratio equals 10.0 percent). Similarly, a "floor" concept of 6.0 percent is used during periods of low national unemployment in order for an area to qualify as a labor surplus area (LSA). The six percent "floor" comes into effect whenever the average unemployment rate for all states during the two-year reference period was 5.0 percent or less.

The Department of Labor issues the labor surplus area list on a fiscal year basis. The list becomes effective each October 1 and remains in effect through the following September 30. During the course of the fiscal year, the annual list can be updated on the basis of exceptional circumstances petitions submitted by state workforce agencies and approved by the Employment and Training Administration. The reference period used in preparing the current list was January 2003 through December 2004. The national average unemployment rate during this period (including data for Puerto Rico) was 5.8 percent. After applying the 1.20 ratio, the unemployment rate for qualifying an area as having a surplus of labor for FY 2006 is 7.0 percent. Therefore, areas are included on the current annual labor surplus area list because their average unemployment rate during the reference period was 7.0 percent or above.

*Petition for Exceptional Circumstances  
Consideration*

The classification procedures also provide for the designation of labor surplus areas under exceptional circumstance criteria. These procedures permit the regular classification criteria to be waived when an area experiences a significant increase in unemployment which is not temporary or seasonal and which was not adequately reflected in the data for the two-year reference period. Under the program's exceptional circumstance procedures, labor surplus area classifications can be made on the

basis of civil jurisdictions, Metropolitan Statistical Areas or Primary Metropolitan Statistical Areas. In order for an area to be classified as a labor surplus area under the exceptional circumstance criteria, the state workforce agency must submit a petition requesting such classification to the Department of Labor's Employment and Training Administration. The current conditions for exceptional circumstances classification are: an area unemployment rate of at least 7.0 percent for each of the three most recent months; projected unemployment rate of at least 7.0 for each of the next 12 months; and documented information that the exceptional circumstance event has already occurred. The state workforce agency may file petitions on behalf of civil jurisdictions, as well as Metropolitan Statistical Areas or Primary Metropolitan Statistical Areas, as defined by the Office of Management and Budget (OMB). The addresses of state workforce agencies are available on the LSA section of the ETA Web site <http://www.uses.doleta.gov/programs/lisa.cfm>. State workforce agencies should submit petitions in electronic format to [dais.anthony@dol.gov](mailto:dais.anthony@dol.gov) or in hard copy to the ETA National Office, Office of Workforce Investment, 200 Constitution Ave., NW., Room S-4231, Washington, DC, 20210. Data collection for the petition is approved under OMB 1205-0207, dated November 23, 2004.
