SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-53809; File No. SR-BSE-2006-13]

Self-Regulatory Organizations; Boston Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Correction of Erroneous Cross References in the Rules of the Boston Options Exchange Facility

May 16, 2006.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 24, 2006, the Boston Stock Exchange, Inc. ("BSE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which items have been prepared by the BSE. The BSE has filed the proposed rule change pursuant to section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(1) thereunder,⁴ which renders the proposal effective upon filing with

the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Section 20 (Obvious Errors) of Chapter V, Section 10 (Limitations on Dealings) and Section 11 (Short Sales in Nasdaq National Market Securities) of Chapter VI, and Section 2 (Penalty for Rule Violations) of Chapter X of the Rules of the Boston Options Exchange ("BOX") to correct erroneous cross references. The text of the proposed rule change is available on the Exchange's Internet Web site (<http://bostonstock.com>), at the principal office of the BSE, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the BSE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposal. The text of these statements may be examined at the places specified in Item IV below. The BSE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The BSE is proposing several changes in Section 20 (Obvious Errors) of Chapter V, Section 10 (Limitations on Dealings) and Section 11 (Short Sales in Nasdaq National Market Securities) of Chapter VI, and Section 2 (Penalty for Rule Violations) of Chapter X of the BOX Rules. These rule sections contain erroneous cross references to both BSE and BOX Rules. The Exchange proposes to correct these cross references to reflect the correct corresponding rule(s) of the BOX or BSE Rules so that the Exchange's rules are accurate, comprehensible, and transparent to the marketplace.

2. Statutory Basis

The Exchange believes that the proposal is consistent with the requirements of section 6(b) of the Act,⁵ in general, and section 6(b)(5) of the

Act,⁶ in particular, in that it is designed to promote just and equitable principles of trade, and to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change constitutes a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule, it has become effective pursuant to section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(1)⁸ thereunder. At any time within 60 days of the filing of the proposed rule change the Commission may summarily abrogate such proposed rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include SR-BSE-2006-13 on the subject line.

Paper Comments

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090.
