Disclaimers of Interest in Lands, Idaho

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: Two applications have been filed by Robert P. Brown, Attorney at Law on behalf of Dale L. Becker and Evelyn M. Becker (personal representative of the estate of Donald S. Becker, deceased), for recordable disclaimers of interest in certain lands by the United States.

DATES: Comments or protests to this action should be received by August 28, 2006.

ADDRESS: Comments or protests must be filed with: State Director (ID933), Bureau of Land Management, 1387 S. Vinnell Way, Boise, ID 83709

FOR FURTHER INFORMATION CONTACT: Cathie Foster, BLM, Idaho State Office, 1387 S. Vinnell Way, Boise, Idaho 83709, (208) 373-3863 or Ron Grant, BLM, Cottonwood Field Office, 1 Butte Drive, Cottonwood, Idaho 83522, (208) 962-3680.

SUPPLEMENTARY INFORMATION: Pursuant to Section 315 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1745), Robert P. Brown, has filed two applications on behalf of Dale L. Becker and Evelyn M. Becker (personal

representative of the estate of Donald S. Becker, deceased) requesting the United States issue recordable disclaimers of interest.

One disclaimer of interest has been requested for the following described property, to wit:

The 87.5 acres fronting government lots 3 and 4 in section 8 shown on a Record of Survey in T. 34 N., R. 5 W., sections 5, 6, and 8, Boise Meridian, Idaho, executed by Terry Golding, PLS 7379, plat signed August 29, 2003 and on file in the BLM, Idaho State Office in case file IDI-35463.

Another disclaimer of interest has been requested for the following described property to wit:

The 10.2 acres fronting government lot 2 in section 8 shown on a Record of Survey in T. 34 N., R. 5 W., sections 5, 6, and 8, Boise Meridian, Idaho, executed by Terry Golding, PLS 7379, plat signed August 29, 2003 and on file in the BLM, Idaho State Office in case file IDI-35462.

Based on the applications and Record of Survey by Terry Golding, Idaho PLS 7379, plat signed August 29, 2003 and on file in the BLM, Idaho State Office in case file IDI-35463 and case file IDI-35462, the original 1872 survey by John B. David erroneously reported the location of the line of ordinary high water for the Snake River. We consider this erroneous location to be nonsubstantial and thus eligible for a disclaimer of interest according to the case law elements required for omitted lands. Therefore, the applications by Robert P. Brown for disclaimers from the United States will be approved if no valid objection is received. This action will clear a cloud on the title of Dale L. Becker's and Evelyn M. Becker's (personal representative of the estate of Donald S. Becker, deceased) land.

Notice of Realty Action: Non-Competitive Sale in the Las Vegas Valley, NV

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of realty action.

SUMMARY: The Bureau of Land Management (BLM) proposes to sell a 1.25 acre parcel of public land in the southwest portion of the Las Vegas Valley, Nevada, to the owner of lands adjoining the parcel. The adjoining private land owner has requested that the parcel be sold to him by non-competitive (direct) sale at not less than the appraised market value of the land.

DATES: On or before July 14, 2006, interested parties may submit comments concerning the proposed sale to the BLM Field Manager, Las Vegas Field Office, at the address stated below.

ADDRESSES: Las Vegas Field Office, Bureau of Land Management, 4701 N. Torrey Pines Drive, Las Vegas, NV 89130

FOR FURTHER INFORMATION CONTACT: Shawna Woods, Realty Specialist at (702) 515–5099.

SUPPLEMENTARY INFORMATION: Pursuant to the request of Mr. Scott Schroeder, the BLM proposes to sell the parcel of public land located in the southwest portion of the Las Vegas Metropolitan Area and further described below. The subject parcel contains 1.25 acres in the form of an isolated parcel resulting from the recent reduction in the width of the Blue Diamond Highway right-of-way. The highway right-of-way for Blue Diamond Highway was granted in 1960. The grant included the subject lands. In 1992, the Nevada Department of Transportation relinquished a portion of the right-of-way width (100 feet on both sides) for the highway. This action reduced the highway frontage to Mr. Schroeder's property and left a small parcel of public land between the highway and Mr. Schroeder's private land. Mr. Schroeder has requested the direct sale of the piece between his property and the highway in order to regain highway access. The majority of the 1.25 acre parcel is encumbered by several rights-of-way making the net usable area 0.1156 acre. The subject parcel, consisting of approximately 1.25 acres of land, would be sold at not less than the fair market value of \$54,500 as determined by a BLM, reviewed and approved appraisal. The following

described land in Clark County, Nevada, has been examined and found suitable for direct sale pursuant to section 203 of the Federal Land Policy and Management Act of 1976 (FLPMA) P.L. 94–579, as amended, 43 U.S.C. 1713) and the Southern Nevada Public Land Management Act (SNPLMA, P.L. 105–263) and 43 CFR 2711.3–3.

Mount Diablo Meridian, Nevada

T. 22 S., R 60 E.,

Section 19, SW¹/₄NE¹/₄NE¹/₄SE¹/₄NW¹/₄.

The area described contains 1.25 acres in Clark County.

This proposed action is in conformance with the Las Vegas Resource Management Plan, approved on October 5, 1998. The plan has been reviewed and it is determined the proposed action conforms with land use plan decision LD–1 established in accordance with section 202 of FLPMA, as amended (43 U.S.C. 1713).

A direct sale to Mr. Scott Schroeder is being proposed, and is considered appropriate. 43 CFR 2711.3–3(a) states that “Direct sales (without competition) may be utilized, when in the opinion of the authorized officer, a competitive sale is not appropriate and the public interest would be best served by a direct sale. Examples include but are not limited to: * * * (4) The adjoining ownership pattern and access indicate a direct sale is appropriate”. The land is not required for any Federal purpose. The sale will be made subject to the applicable provisions of FLPMA and the regulations of the Secretary of the Interior.

The minerals of no known value will be conveyed with this parcel. Acceptance of the offer to purchase will constitute an application for conveyance of these mineral interests. In conjunction with the final payment, the applicant will be required to pay a \$50.00 non-refundable filing fee for processing the conveyance of the mineral interests of no known value which will be sold simultaneously with the surface interest.

When patented, title to the land will continue to be subject to the following:

1. A reservation of a right-of-way thereon for ditches or canals constructed by the authority of the United States, Act of August 30, 1890 (26 Stat. 391, 43 U.S.C. 945);
2. A reservation to the United States of oil and gas and salable minerals together with the right to prospect for, mine and remove such deposits from the same under applicable law and such regulations as the Secretary of the Interior may prescribe;
3. Valid existing rights of record, including, but not limited to those
