BILLING CODE 4150-28-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Announcement of Availability of Funds for Cooperative Agreement to the California Outreach Office To Strengthen Public Health Services at the California-Baja California Border

AGENCY: Office of Global Health Affairs, Office of the Secretary, DHHS.

Announcement Type: Cooperative Agreement—FY 2006 Initial Announcement. Single Source.

Catalog of Federal Domestic Assistance: 93.018.

DATES: *Application Availability:* May 31, 2006. Applications must be received by June 30, 2006.

SUMMARY: The Office of Global Health Affairs (OGHA) announces that up to \$335,916 in fiscal year (FY) 2006 funds is available for a cooperative agreement to the California Department of Health Services, who will work through the California Outreach Office of the U.S.-Mexico Border Health Commission, to strengthen the binational public health projects and programs along the California-Baja California border. This initiative addresses outreach and health promotion activities, evaluation and assessments, health data analysis and surveillance, Healthy Border/Healthy Gente activities, and programmatic and administrative support to the members and staff of the U.S.-Mexico Border Health Commission. The budget period will be one year with a project period of five years for a total of \$335,916 (including indirect costs). Funding for the cooperative agreement is contingent upon the availability of funds.

I. Funding Opportunity Description

Under the authority of section 4 of the U.S.-Mexico Border Health Commission Act (the Act), Public law 103-400, the Office of Global Health Affairs (OGHA) announces the intent to allocate fiscal year (FY) 2006 funds for a cooperative agreement to the California Department of Health Services, California Outreach Office of the U.S.-Mexico Border Health Commission, to strengthen the binational public health projects and programs along the California-Baja California border. Activities to be addressed through the cooperative agreement will relate to the following topic areas: (1) Access to Care; (2) Cancer; (3) Diabetes; (4) Environmental Health; (5) HIV/AIDS, and (6) Immunization and Infectious Diseases. Funding will be provided by OGHA, through the U.S.-Mexico Border Health Commission, to the awardee.

This assistance is geared to support current, on-going and proposed public health initiatives in this border region that support the goals and objectives of the U.S.-Mexico Border Health Commission serve to strengthen access to health care, disease prevention, and public health along the California-Baja California border.

Background: The U.S.-Mexico Border Health Commission (USMBHC), in collaboration with the U.S. Department of Health and Human Services, works toward creating awareness about the U.S.-Mexico border, its people, and its environment. It educates others about the unique challenges at the border through outreach efforts, data collection and analysis, and joint collaborative efforts with public and private partners in the border health community. The USMBHC serves as a rallying point for shared concerns about the U.S.-Mexico border and as a catalyst for action to develop plans directed toward solving specific health related problems.

Outreach offices of the USMBHC work with the border states to address public health concerns and needs affecting the border region. The California Department of Health Services will work with the California Outreach Office and Mexican counterparts to promote and strengthen binational health initiatives along the California-Baja California border.

Purpose: The overall objective of this cooperative agreement is to support and coordinate the USMBHC's objectives and the development of the outreach health activities along the California and Baja California border. Awardee activities for this program will be focused in the following areas:

- Outreach and health promotion activities to establish or strengthen linkages between public health and border activities;
 - Evaluation and assessments of health services, health research, health care technologies, and delivery systems;
 - Health data analysis and surveillance;
 - Programmatic and administrative support to the members and staff for the USMBHC; and
 - Implementation of Healthy Border/Healthy Gente projects and activities.
- Measurable outcomes of the cooperative agreement will be in alignment with one or more of the following performance goals:
- Increase access to care and improve quality of care;
 - Improve disease prevention and health education;
 - Improve workforce development and retention; and
 - Improve public health infrastructure.

Activities: Awardee activities for this program will be focused in the following areas:

- (1) Outreach and health promotion activities to establish or strengthen linkages between public health and border activities;
- (2) Evaluation and assessments of health services, health research, health care technologies, and delivery systems;
- (3) Health data analysis and surveillance;
- (4) Administrative and programmatic support to the members and staff for the USMBHC; and
- (5) Support and development of Healthy Border/Healthy Gente projects and activities.

II. Award Information

The administrative and funding instrument to be used for this program will be the cooperative agreement in which substantial OGHA/HHS scientific and/or programmatic involvement is anticipated during the performance of the project. Under the cooperative agreement, OGHA/HHS will support and/or stimulate awardee activities by working with them in a non-directive partnership role. Awardee will also be expected to work directly with and in support of the U.S.-Mexico Border Health Commission and its stated goals and initiatives as outlined in the submitted work plan.

The administrative and funding instrument to be used for this program will be the cooperative agreement in which substantial HHS/OGHA scientific and/or programmatic involvement is anticipated during the performance of the project. Under the cooperative
