

found on the Internet on the NPS Planning, Environment and Public Comment (PEPC) System Web site at <http://parkplanning.nps.gov/public>. Paper and electronic copies on CD-ROM are also available by request. Interested persons and organizations can obtain a copy by writing to Olympic National Park, c/o William G. Laitner, Superintendent, 600 East Park Avenue, Port Angeles, WA 98362, by telephoning 360-565-3004, or by e-mail to olym_gmp@nps.gov. The document is also available to be picked up in person during normal business hours at the headquarters of Olympic National Park, 600 East Park Avenue, Port Angeles, WA 98362, and at the Olympic National Park and Olympic National Forest Information Station in Forks, WA. In addition, the document may be reviewed at branches of the North Olympic Library System, Timberland Regional Libraries, Jefferson County Libraries, and area college and university libraries.

All written comments must be postmarked or transmitted not later than September 15, 2006. All comments will become part of the public record. Persons wishing to comment may do so by one of several ways. Responses are encouraged online using the electronic comment form at the NPS PEPC Web site (<http://parkplanning.nps.gov>). In addition, written comments can be mailed or faxed to Olympic National Park GMP, National Park Service, Denver Service Center, P.O. Box 25287, Denver, Colorado 80225 (fax: 303-969-2736). Comments may also be hand delivered during normal business hours to the headquarters of Olympic National Park at 600 East Park Avenue, Port Angeles, WA 98362 or may be transmitted to the park by e-mail to olym_gmp@nps.gov. In addition, oral and written comments may be offered at one of several public open houses to be conducted in August 2006. Confirmed details on dates, locations, and times for these open houses will be announced in local newspapers, on the park's Web site (<http://www.nps.gov/olym>), or may be obtained by telephone at (360) 565-3130.

Regardless of how written comments are submitted, please note that names and addresses of all respondents will become part of the public record. It is the practice of the NPS to make all comments, including names and addresses of respondents who provide that information, available for public review following the conclusion of the NEPA process. Individuals may request that the NPS withhold their name and/or address from public disclosure. If you wish to do so, you must state this

prominently at the beginning of your letter or written response. For those commentators who wish to use the PEPC Web site, such a request can be made by checking the box "keep my contact information private". NPS will honor all such requests to the extent allowable by law, but you should be aware that NPS may still be required to disclose your name and address pursuant to the Freedom of Information Act.

Decision Process: Following the release of the Draft EIS/GMP, all public and agency comments received will be carefully considered in preparing the final document. The final plan and EIS is anticipated to be completed during winter 2006-07 and its availability will be similarly announced in the **Federal Register** and via local and regional press media. Not sooner than 30 days following the release of the Final EIS/GMP a Record of Decision would be prepared.

Completion of the Final EIS/GMP does not guarantee funds and staff for implementing the approved plan. The NPS recognizes that this is along-term plan, and, in the framework of the plan, park managers would take incremental steps to reach park management goals and objectives. While some of the actions can be accomplished with little or no funding, some actions would require more detailed implementation plans, site specific environmental analysis and/or cultural compliance, and additional funds. The park would actively seek alternative sources of funding, but there is no guarantee that all the components of the plan would be implemented.

As a delegated EIS, the official responsible for the final decision is the Regional Director, Pacific West Region; subsequently the official with responsibility for implementing the approved plan would be the Superintendent, Olympic National Park.

Dated: April 11, 2006.

Cicely A. Muldoon,

Acting Regional Director, Pacific West Region.

Editorial Note: This document was received at the Office of the Federal Register on July 11, 2006.
