Submission for OMB Review; Comment Request

The Department of Commerce has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: North Pacific Groundfish Observer Program Vessel/Plant Operator Comment Form.

Form Number(s): None.

OMB Approval Number: None.

Type of Request: Regular submission.
Burden Hours: 500.

Number of Respondents: 400.

Average Hours Per Response:

Comment form, 30 minutes; non-response follow-up form, 10 minutes.

Needs and Uses: The Comment Form will help the North Pacific Groundfish Observer Program (NPGOP) assess observer performance, ensure higher data quality, and provide the vessel/plant operators with a direct line of communication to the program management. Improved communication and outreach is a priority for the NPGOP. It is important to get the fishermen's opinions about the program and have a method for them to report their concerns and evaluations of the program. This is a tailored qualitative survey for Vessel/Plant Operators who have had observers on their vessels to provide direct feedback on observer and observer program performance to the National Marine Fisheries Service. This will be collected on a voluntary basis. The Vessel/Plant Operator Comment Form is available to all operators who have had a certified North Pacific Groundfish observer onboard their vessel or plant. Vessel operators or plant operators are the only ones who may complete the survey.

Affected Public: Business or other for-profit organizations.

Frequency: On occasion.

Respondent's Obligation: Voluntary.

OMB Desk Officer: David Rostker, (202) 395-3897.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

Submission for OMB Review; Comment Request

The Department of Commerce (DOC) has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: Bureau of Industry and Security (BIS).

Title: Commercial Encryption Items Under the Jurisdiction of the Department of Commerce.

Agency Form Number: N/A.

OMB Approval Number: 0694-0104.

Type of Request: Renewal of an existing collection.

Burden: 4507 hours.

Average Time Per Response: 5 minutes to 7 hours per response.

Number of Respondents: 635 respondents.

Needs and Uses: This collection is authorized by section 5(h) of the Export Administration Act of 1979, as amended (EAA) and section 203(a)(2) of the International Emergency Economic Powers Act (IEEPA), and authorized under Section 15(b) of the EAA and Section 203(a)(1) of the IEEPA. The Export Administration Act authorizes the President to control exports of U.S. goods and technology to all foreign destinations, as necessary for the purposes of national security, foreign policy and short supply. The International Emergency Economic Powers Act authorizes the President to take actions to deal with any unusual and extraordinary threat, which has its source in whole or substantial part

outside of the United States, to the national security, foreign policy, or economy of the United States. This policy has since been implemented and updated in the Export Administration Regulations (EAR). As described in these regulations, the U.S. encryption export control policy rests on three principles: Review of encryption products prior to sale, streamlined post-export reporting, and license review of certain exports of strong encryption to foreign government end-users. Consistent with these principles, national security requires that information be collected from the public as described both in this collection and in collection 0694-0088. The regulations developed by the Bureau of Industry and Security in consultation with other Federal agencies, implements the U.S. encryption export policy last revised in regulations published on December 9, 2004. This notice updates and revises the paperwork burden on the public imposed by these regulations.

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Advance Monthly Retail Trade Survey.

Form Number(s): SM-44(06)A, SM-44(06)AE, SM-44(06)AS, SM-72(06)A, SM-44(00)FA, SM-44(00)FAE, SM-44(00)FAS, SM-72(00)FA.

Agency Approval Number: 0607-0104.

Type of Request: Extension of a currently approved collection.

Burden: 4,500 hours.

Number of Respondents: 4,500.

Avg Hours per Response: 5 minutes.

Needs and Uses: The Advance Monthly Retail Trade Survey was developed in response to requests by government, business, and other users to provide an early indication of current retail trade activity at the United States level. MARTS also provides monthly sales of food service establishments and drinking places. Policymakers, such as the Federal Reserve Board, need to have the most timely estimates in order to anticipate economic trends and act accordingly. Data on sales from this survey provide the earliest possible look at consumer spending and are necessary for the calculation of the personal consumption portion of the Gross Domestic Product (GDP). Without the Advance Monthly Retail Trade Survey, the Census Bureau's earliest measure of retail sales is the "preliminary" estimate from the full monthly sample, released about 40 days after the reference period.

The Census Bureau tabulates the collected data to provide, with measured reliability, statistics on United States retail sales. These sales estimates, developed from the Advance Monthly Retail Trade Survey, are used by the Council of Economic Advisers, Bureau of Economic Analysis (BEA), Federal Reserve Board, and other government agencies, as well as business users in formulating economic decisions. These estimates have a high priority because of their timeliness. There would be approximately a one month delay in the availability of these data if this survey were not conducted.

Affected Public: Business or other for-profit.

Frequency: Monthly.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C., Section 182.

OMB Desk Officer: Susan Schechter, (202) 395-5103.

Written comments and recommendations for the proposed

information collection should be sent within 30 days of publication of this notice to Susan Schechter, OMB Desk Officer either by fax (202-395-7245) or e-mail (susan_schechter@omb.eop.gov).
