**SUMMARY:** On September 22, 2005, the Department of Commerce received a request to conduct a new shipper review of the antidumping duty order on carbazole violet pigment 23 from India. In accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended, and 19 CFR 351.214(d) (2005), we are initiating a new shipper review.

**FOR FURTHER INFORMATION CONTACT:** Dmitry Vladimirov or Minoo Hatten at (202) 482-0665 and (202) 482-1690, respectively, Office 5, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

The notice announcing the antidumping duty order on carbazole violet pigment 23 from India was published on December 29, 2004. See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Carbazole Violet Pigment 23 from India*, 69 FR 77988 (December 29, 2004). On September 22, 2005, the Department of Commerce (the Department) received a timely request for a new shipper review of the antidumping duty order on carbazole violet pigment 23 from India from Gharda Chemicals, Ltd. (Gharda). On January 17, 2006, Gharda submitted additional information to supplement its new shipper review request in response to our January 10, 2006, letter requesting that Gharda correct certain deficiencies in its new shipper review request. Gharda is both the Indian producer and exporter of the subject merchandise to the United States on which its request for a new shipper

review is based. Gharda Polymers USA, its U.S. subsidiary, is an importer of the subject merchandise.

As required by 19 CFR 351.214(b)(2)(i) and (iii)(A), Gharda certified that it did not export carbazole violet pigment 23 to the United States during the period of investigation (POI) and that, since the initiation of the investigation, it has never been affiliated with any exporter or producer that exported carbazole violet pigment 23 to the United States during the POI.<sup>1</sup>

In addition, pursuant to 19 CFR 351.214(b)(2)(iv), the company submitted documentation establishing the following: (1) the date on which it first shipped the subject merchandise for export to the United States and the date on which its subject merchandise was first entered, or withdrawn from warehouse, for consumption in the United States; (2) the volume of its first shipment and the volume of subsequent shipments<sup>2</sup>; and (3) the date of its first sale to an unaffiliated customer in the United States.

#### **Initiation of Review**

In accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(d)(1) we are initiating a new shipper review for shipments of carbazole violet pigment 23 from India produced and exported by Gharda. The period of review is December 1, 2004, through November 30, 2005. See 19 CFR 351.214(g)(1)(i)(A). We intend to issue the preliminary results of this new shipper review no later than 180 days after initiation of this review. We intend to issue final results of this review no later than 90 days after the date on which the preliminary results are issued. See 19 CFR 351.214(i).

We will instruct U.S. Customs and Border Protection to allow, at the option of the importer, the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for each entry of the subject merchandise produced and exported by Gharda Chemicals Ltd. in accordance with section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e). Gharda has certified that it both produced and exported the subject merchandise on which it based the request for a new shipper review. Therefore, we will apply the bonding option only to entries of the subject merchandise that were both produced and exported by Gharda.

<sup>1</sup> See Gharda's Request for New Shipper Review, dated September 22, 2005, and Gharda's Supplemental Submission, dated January 17, 2006.

<sup>2</sup> In its September 22, 2005, Request for New Shipper Review, Gharda stated that it had no subsequent shipments.

Interested parties that need access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are in accordance with section 751(a)(2)(B) of the Act, 19 CFR 351.214(d), and 19 CFR 351.221(c)(1)(i).

Dated: January 23, 2006.

#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The United States Patent and Trademark Office (USPTO) is required by 35 U.S.C. 41(i)(1) to maintain a Public Search Facility to provide patent and trademark collections for searching and retrieval of information. The Public Search Facilities are maintained for public use with paper and electronic search files and trained staff to assist searchers. The USPTO also offers training courses to assist the public with using the advanced electronic search systems available at the facilities.

In order to manage the patent and trademark collections that are available to the public, the USPTO issues online access cards to customers who wish to use the electronic search systems at the Public Search Facility. Customers may obtain an online access card by completing the application at the Public Search Facility reference desk and providing proper identification. The plastic online access cards include a bar-coded user number and an expiration date. Users may renew their cards by validating and updating the required information and may obtain a replacement for a lost card by providing proper identification.

Under the authority provided in 41 CFR Part 102-81, the USPTO issues security identification badges to members of the public who wish to use the facilities at the USPTO. Public users may apply for a security badge in person at the USPTO Office of Security by providing the necessary information and presenting a valid form of identification with photograph. The security badges include a color photograph of the user and must be worn at all times while at the USPTO facilities.

The USPTO is updating this information collection to include the

renewal of security identification badges for public users. The security badges must be renewed annually and there is no fee. The USPTO is also deleting the previous \$15 fee for obtaining a replacement online access card from this collection because that fee has been eliminated. Finally, the USPTO is revising the estimated annual responses for this collection to reflect current submissions related to online access cards, training courses, and security badges for users of the Public Search Facilities.

##### II. Method of Collection

The applications for online access cards and security identification badges are completed on site and handed to a USPTO staff member for issuance. User training application forms may be mailed, faxed, or hand delivered to the USPTO.
