Abstract: This action amends the existing regulation for the Emergency Community Water Assistance Grant (ECWAG) Program to allow grants to be

made before an emergency has actually occurred. The ECWAG program was authorized by the Rural Development Act of 1972. These grants can be made to construct or improve drinking water facilities serving the most financially needy communities. This revision is undertaken specifically to respond to requirements of Section 6009 of the Farm Security and Rural Investment Act of 2002 (Pub. L. 107-171). (2002 Farm Bill)
