Countervailing Duty Orders

On September 21, 2006, in accordance with section 705(d) of the Act, the ITC notified the Department of its final determination that the industry in the United States producing CLPP is materially injured within the meaning of section 705(b)(1)(A)(i) of the Act by reason of subsidized imports of CLPP from India and Indonesia.

Therefore, countervailing duties will be assessed on all unliquidated entries of CLPP from India and Indonesia entered, or withdrawn from warehouse, for consumption on or after February 13, 2006 (Indonesia), or February 15, 2006 (India), the dates on which the Department published its preliminary affirmative countervailing duty determinations in the **Federal**

Register,¹² and before June 13, 2006 (Indonesia) or June 15, 2006 (India), the dates the Department instructed the CBP to discontinue the suspension of liquidation in accordance with section 703(d) of the Act. Section 703(d) states that the suspension of liquidation pursuant to a preliminary determination may not remain in effect for more than four months. Therefore, entries of CLPP made on or after June 13, 2006 (Indonesia) or June 15, 2006 (India), and prior to the date of publication of the ITC's final determination in the **Federal Register** are not liable for the assessment of countervailing duties due to the Department's discontinuation, effective June 13, 2006 (Indonesia) or June 15, 2006 (India), of the suspension of liquidation.

In accordance with section 706 of the Act, the Department will direct CBP to reinstitute the suspension of liquidation for CLPP from India and Indonesia, with the exception of Kejriwal Paper Limited, which has a *de minimis* net subsidy rate and is, therefore, exempt from the CVD order on CLPP from India, effective the date of publication of the ITC's notice of final determination in the **Federal Register** and to assess, upon further advice by the Department pursuant to section 706(a)(1) of the Act, countervailing duties for each entry of the subject merchandise in an amount based on the net countervailable subsidy rates for the subject merchandise as noted below.

Country	Manufacturer/exporter	Net Subsidy Rate
India	Aero Exports	7.05
.....	Kejriwal Paper Limited ¹³	<i>de minimis</i>
.....	Navneet Publications	10.24
.....	All Others	9.42
Indonesia	PT. Pabrik Kertas Tjiwi Kimia Tbk	40.55
.....	All Others	40.55

¹³ Because Kejriwal Paper is *de minimis*, it is excluded.

This notice constitutes the antidumping duty orders with respect to CLPP from India, Indonesia and the PRC and the countervailing duty orders with respect to CLPP from India and Indonesia, pursuant to section 736(a) of the Act. Interested parties may contact the Department's Central Records Unit, Room B-099 of the Main Commerce Building, for copies of an updated list of antidumping duty orders currently in effect.

These orders are issued and published in accordance with section 736(a) of Act and 19 CFR 351.211(b).

Dated: September 22, 2006.

Continued

pursuant to 19 CFR 351.214(c), the Department received a new shipper review request from East Sea Seafoods Joint Venture Co., Ltd. ("East Sea"). East Sea certified that it is both the producer and exporter of the subject merchandise upon which the request for a new shipper review is based.

Pursuant to section 751(a)(2)(B)(i)(I) of the Tariff Act of 1930 as amended ("the Act"), and 19 CFR 351.214(b)(2)(i), East Sea certified that it did not export certain frozen fish fillets to the United States during the period of investigation ("POI"). In addition, pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), East Sea certified that, since the initiation of the investigation, it has never been affiliated with any Vietnamese exporter or producer who exported certain frozen fish fillets to the United States during the POI, including those not individually examined during the investigation. As required by 19 CFR 351.214(b)(2)(iii)(B), East Sea also certified that its export activities were not controlled by the central government of Vietnam.

In addition to the certifications described above, pursuant to 19 CFR 351.214(b)(2)(iv), East Sea submitted documentation establishing the following: (1) the date on which East Sea first shipped certain frozen fish fillets for export to the United States and the date on which the frozen warmwater shrimp was first entered, or withdrawn from warehouse, for consumption; (2) the volume of its first shipment;² and (3) the date of its first sale to an unaffiliated customer in the United States.

The Department conducted CBP database queries to confirm that East Sea's shipment of subject merchandise had entered the United States for consumption and had been suspended for antidumping duties.

Initiation of New Shipper Reviews

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(d)(1), the Department finds that East Sea's request meets the threshold requirements for initiation of a new shipper review for the shipment of certain frozen fish fillets from Vietnam it produced and exported. *See Memo to the File from Matthew Renkey, Senior Analyst, through Alex Villanueva, Program Manager, Office 9: New Shipper Review*

to the Department by the final day of August 2006. *See* 19 CFR 351.214(d)(1).

² East Sea made no subsequent shipments to the United States, which the Department corroborated using data from U.S. Customs and Border Protection ("CBP").

Initiation Checklist, dated September 26, 2006.

The POR for this new shipper review is August 1, 2006, through July 31, 2006. *See* 19 CFR 351.214(g)(1)(ii)(A). The Department intends to issue the preliminary results of this review no later than 180 days from the date of initiation, and final results of this review no later than 270 days from the date of initiation. *See* section 751(a)(2)(B)(iv) of the Act. Interested parties requiring access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306. This initiation and notice are published in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

Certain Preserved Mushrooms from the People's Republic of China: Extension of Time Limit for Final Results of the 2005 Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: September 28, 2006.

FOR FURTHER INFORMATION CONTACT: Matthew Renkey, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone: (202) 482-2243.

Background

On June 27, 2006, the Department of Commerce ("the Department") issued the preliminary results of this new shipper review. *See Certain Preserved Mushrooms from the People's Republic of China: Preliminary Results of the Antidumping Duty New Shipper Review*, 71 FR 38617 (July 7, 2006) ("Preliminary Results").

Extension of Time Limits for Final Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and

19 CFR 351.214(i)(1) require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated and final results of a review within 90 days after the date on which the preliminary results were issued. The Department may, however, extend the deadline for completion of the final results of a new shipper review to 150 days if it determines that the case is extraordinarily complicated. *See* section 751(a)(2)(B)(iv) of the Act, and 19 CFR 351.214(i)(2).

On September 11, 2006, the Department sent questions to the respondent in this review, Guangxi Eastwing Trading Co., Ltd. ("Eastwing"), regarding surrogate value information Eastwing had placed on the record. On the same date, the Department also placed surrogate value information on the record of this review and granted interested parties an opportunity to comment on the information. As a result of the extraordinarily complicated issues raised in this review segment, including the additional time needed to evaluate Eastwing's response to our questions, as well as any potential comments on the new surrogate value information the Department placed on the record, it is not practicable to complete this new shipper review within the current time limit. Accordingly, the Department is extending the time limit for the completion of the final results by 45 days until November 9, 2006, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2).

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
