DEPARTMENT OF JUSTICE

**Office of Community Oriented Policing
Services; Agency Information
Collection Activities: Extension of
Currently Approved Collection;
Comments Requested**

ACTION: 30-Day Notice of Information
Collection Under Review: Mental Health
and Community Safety Initiative
Equipment and Training Progress
Report.

The Department of Justice (DOJ)
Office of Community Oriented Policing
Services (COPS) has submitted the
following information collection request
to the Office of Management and Budget
(OMB) for review and approval in
accordance with the Paperwork
Reduction Act of 1995. The proposed
information collection is published to
obtain comments from the public and
affected agencies. This proposed
extension of an information collection
was previously published in the **Federal
Register** Volume 70, Number 168, page
51846 on August 31, 2005, allowing for
a 60-day comment period.

The purpose of this notice is to allow
for an additional 30 days for public
comment until March 6, 2006. This
process is conducted in accordance with
5 CFR 1320.10. Written comments and/
or suggestions regarding the items
contained in this notice, especially the
estimated public burden and associated
response time, should be directed to the
Office of Management and Budget,
Office of Information and Regulatory
Affairs, Attention Department of Justice
Desk Officer, Washington, DC 20503.
Additionally, comments may be
submitted to OMB via facsimile to (202)
395-5806. Written comments and
suggestions from the public and affected
agencies concerning the proposed
collection of information are
encouraged. Your comments should
address one or more of the following
four points:

- Evaluate whether the proposed
collection of information is necessary
for the proper performance of the
functions of the agency, including
whether the information will have
practical utility;
- Evaluate the accuracy of the agency's
estimate of the burden of the
proposed collection of information,
including the validity of the
methodology and assumptions used;
- Enhance the quality, utility, and
clarity of the information to be
collected; and
- Minimize the burden of the collection
of information on those who are to
respond, including through the use of

appropriate automated, electronic,
mechanical, or other technological
collection techniques or other forms
of information technology, e.g.,
permitting electronic submission of
responses.
