BROADCASTING BOARD OF GOVERNORS

Notice of Sunshine Act Meeting

DATE AND TIME: Wednesday, October 25, 2006, 8:30 a.m.-12:15 p.m., 2:30 p.m.-3:30 p.m.

PLACE: Cohen Building, Room 3321, 330 Independence Ave., SW., Washington, DC 20237.

CLOSED MEETING: The members of the Broadcasting Board of Governors (BBG) will meet in closed session to review and discuss a number of issues relating to U.S. Government-funded nonmilitary international broadcasting. They will address internal procedural, budgetary, and personnel issues, as well as sensitive foreign policy issues relating to potential options in the U.S. international broadcasting field. This meeting is closed because if open it likely would either disclose matters that would be properly classified to be kept secret in the interest of foreign policy under the appropriate Executive Order (5 U.S.C. 552b(c)(1)) or would disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed agency action (5 U.S.C. 552b(c)(9)(B)). In addition, part of the discussion will relate solely to the internal personnel and organizational issues of the BBG or the International Broadcasting Bureau (5 U.S.C. 552b(c)(2) and (6)).

Stainless Steel Bar from India: Extension of Time Limit for the Preliminary Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: October 20, 2006.

FOR FURTHER INFORMATION CONTACT:

Scott Holland or Brandon Farlander, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone (202) 482–1279 or (202) 482– 0182, respectively.

SUPPLEMENTARY INFORMATION:

Background

On April 5, 2006, the Department of Commerce ("the Department") published a notice of initiation of an administrative review of the antidumping duty order on stainless steel bar from India covering the period February 1, 2005, through January 31, 2006 (71 FR 17077). The preliminary results for this administrative review are currently due no later than October 31, 2006.

Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an antidumping duty order for which a review is requested and issue the final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

Due to the complexity of the issues in this case, including affiliation and cost of production, and outstanding supplemental responses, it is not practicable to complete the preliminary results of this review within the original time limit (*i.e.*, October 31, 2006). Therefore, the Department is extending the time limit for completion of the preliminary results to no later than

February 28, 2007, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: October 16, 2006.

Stephen J. Claeys,

Deputy Assistant Secretaryfor Import Administration.
