ACTION: Institution of five-year reviews concerning the antidumping duty orders on welded large diameter line pipe from Japan and Mexico.

SUMMARY: The Commission hereby gives notice that it has instituted reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)) (the Act) to determine whether revocation of the antidumping duty orders on welded large diameter line pipe from Japan and Mexico would be likely to lead to continuation or recurrence of material

injury. Pursuant to section 751(c)(2) of the Act, interested parties are requested to respond to this notice by submitting the information specified below to the Commission;¹ to be assured of consideration, the deadline for responses is December 21, 2006. For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

DATES: *Effective Date:* November 1, 2006.

FOR FURTHER INFORMATION CONTACT:

Mary Messer (202–205–3193), Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for these reviews may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background. On December 6, 2001, the Department of Commerce issued an antidumping duty order on imports of welded large diameter line pipe from Japan (66 FR 63368). On February 27, 2002, the Department of Commerce issued an antidumping duty order on imports of welded large diameter line pipe from Mexico (67 FR 8937). The Commission is conducting reviews to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. It will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full

reviews or expedited reviews. The Commission's determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

Definitions. The following definitions apply to these reviews:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year reviews, as defined by the Department of Commerce.

(2) The *Subject Countries* in these reviews are Japan and Mexico.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original determinations, the Commission found a single *Domestic Like Product* consisting of certain welded large diameter line pipe, coextensive with Commerce's scope.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determinations, the Commission found a single *Domestic Industry* consisting of all domestic producers of certain welded large diameter line pipe.

(5) The *Order Dates* are the dates that the antidumping duty orders under review became effective. In these reviews, the *Order Dates* are December 6, 2001 (Japan) and February 27, 2002 (Mexico).

(6) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

Participation in the reviews and public service list. Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the reviews as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the reviews.

Former Commission employees who are seeking to appear in Commission

five-year reviews are reminded that they are required, pursuant to 19 CFR 201.15, to seek Commission approval if the matter in which they are seeking to appear was pending in any manner or form during their Commission employment. The Commission's designated agency ethics official has advised that a five-year review is the "same particular matter" as the underlying original investigation for purposes of 19 CFR 201.15 and 18 U.S.C. 207, the post employment statute for Federal employees. Former employees may seek informal advice from Commission ethics officials with respect to this and the related issue of whether the employee's participation was "personal and substantial." However, any informal consultation will not relieve former employees of the obligation to seek approval to appear from the Commission under its rule 201.15. For ethics advice, contact Carol McCue Verratti, Deputy Agency Ethics Official, at 202–205–3088.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list. Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the reviews. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Certification. Pursuant to section 207.3 of the Commission's rules, any person submitting information to the Commission in connection with these reviews must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will be deemed to consent, unless otherwise specified, for the Commission, its employees, and contract personnel to use the information provided in any other reviews or investigations of the same or comparable products which the Commission conducts under Title VII of the Act, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3.

Written submissions. Pursuant to section 207.61 of the Commission's rules, each interested party response to this notice must provide the information

¹ No response to this request for information is required if a currently valid Office of Management and Budget (OMB) number is not displayed; the OMB number is 3117–0016/USITC No. 07–5–163, expiration date June 30, 2008. specified below. The deadline for filing such responses is December 21, 2006. Pursuant to section 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct expedited or full reviews. The deadline for filing such comments is January 16, 2007. All written submissions must conform with the provisions of sections 201.8 and 207.3 of the Commission's rules and any submissions that contain BPI must also conform with the requirements of sections 201.6 and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 FR 68036 (November 8, 2002). Also, in accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the reviews you do not need to serve your response).

Inability to provide requested information. Pursuant to section 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to section 776(b) of the Act in making its determinations in the reviews.

BILLING CODE 7020-02-P

JOINT BOARD FOR THE ENROLLMENT OF ACTUARIES

Advisory Committee on Actuarial Examinations; Invitation for Membership on Advisory Committee

AGENCY: Joint Board for the Enrollment of Actuaries.

ACTION: Withdrawal of notice inviting membership on advisory committee; notice inviting membership on advisory committee.

SUMMARY: The Joint Board for the Enrollment of Actuaries (Joint Board), established under the Employee Retirement Income Security Act of 1974 (ERISA), is responsible for the enrollment of individuals who wish to perform actuarial services under ERISA. The Joint Board has established an Advisory Committee on Actuarial

Examinations (Advisory Committee) to assist in its examination duties mandated by ERISA. The Joint Board published a **Federal Register** notice at 71 FR 30649, May 30, 2006, inviting membership on the Advisory Committee. That notice did not reflect the Joint Board's decision to extend the appointment term of current Advisory Committee members. Therefore, this document withdraws the previous notice and gives new notice inviting membership. In accordance with the Joint Board's decision, the appointment term of current Advisory Committee members will expire on February 28, 2007. This notice describes the Advisory Committee and invites applications from those interested in serving on it.

1. General

To qualify for enrollment to perform actuarial services under ERISA, an applicant must have requisite pension actuarial experience and satisfy knowledge requirements as provided in the Joint Board's regulations. The knowledge requirements may be satisfied by successful completion of Joint Board examinations in basic actuarial mathematics and methodology and in actuarial mathematics and methodology relating to pension plans qualifying under ERISA.

The Joint Board, the Society of Actuaries, and the American Society of Pension Professionals & Actuaries jointly offer examinations acceptable to the Joint Board for enrollment purposes and acceptable to those actuarial organizations as part of their respective examination programs.

2. Programs

The Advisory Committee plays an integral role in the examination program by assisting the Joint Board in offering examinations that will enable examination candidates to demonstrate the knowledge necessary to qualify for enrollment. The purpose of the Advisory Committee, as renewed, will remain that of assisting the Joint Board in fulfilling this responsibility. The Advisory Committee will discuss the philosophy of such examinations, will review topics appropriately covered in them, and will make recommendations relative thereto. It also will recommend to the Joint Board proposed examination questions. The Joint Board will maintain liaison with the Advisory Committee in this process to ensure that its views on examination content are understood.

3. Function

The manner in which the Advisory Committee functions in preparing

examination questions is intertwined with the jointly administered examination program. Under that program, the participating actuarial organizations draft questions and submit them to the Advisory Committee for its consideration. After review of the draft questions, the Advisory Committee selects appropriate questions, modifies them as it deems desirable, and then prepares one or more drafts of actuarial examinations to be recommended to the Joint Board. (In addition to revisions of the draft questions, it may be necessary for the Advisory Committee to originate questions and include them in what is recommended.)

4. Membership

The Joint Board will take steps to ensure maximum practicable representation on the Advisory Committee of points of view regarding the Joint Board's actuarial examination extant in the community at large and from nominees provided by the actuarial organizations. Since the members of the actuarial organizations comprise a large segment of the actuarial profession, this appointive process ensures expression of a broad spectrum of viewpoints. All members of the Advisory Committee will be expected to act in the public interest, that is, to produce examinations that will help ensure a level of competence among those who will be accorded enrollment to perform actuarial services under ERISA.

Membership normally will be limited to actuaries previously enrolled by the Joint Board. However, individuals having academic or other special qualifications of particular value for the Advisory Committee's work also will be considered for membership. Membership terms are at the sole discretion of the inviting authority and are not necessarily concurrent with the duration of the Advisory Committee charter. The Advisory Committee will meet about four times a year. Advisory Committee members should be prepared to devote from 125 to 175 hours, including meeting time, to the work of the Advisory Committee over the course of a year. Members will be reimbursed for travel expenses incurred, in accordance with applicable government regulations.

Actuaries interested in serving on the Advisory Committee should express their interest and fully state their qualifications in a letter addressed to: Joint Board for the Enrollment of Actuaries, c/o Internal Revenue Service, Attn: Executive Director SE: OPR, Room 7238, 1111 Constitution Avenue, NW., Washington, DC 20224.
