AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: November 16, 2006.

FOR FURTHER INFORMATION CONTACT:

Eugene Degnan, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0414.

SUPPLEMENTARY INFORMATION:

Background

On May 25, 2006, the Department of Commerce ("the Department") published in the **Federal Register** its preliminary results of the second administrative review on non-malleable cast iron pipe fittings from the People's Republic of China ("PRC"). See *Non-Malleable Cast Iron Pipe Fittings from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 71 FR 30116 (May 25, 2006) ("Preliminary Results"). On September 12, 2006, the Department published a notice extending the time limit for the final results of the administrative review from September 22, 2006, to October 23, 2006. See *Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review: Non-Malleable Cast Iron Pipe Fittings from the People's Republic of China*, 71 FR 53661 (September 12, 2006). On October 30, 2006, the Department published a notice extending the time limit for the final results of the administrative review from October 23, 2006, to November 10, 2006. See *Non-Malleable Cast Iron Pipe Fittings from the People's Republic of China: Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review*, 71 FR 63285 (October 30, 2006). The final results of this administrative review are currently due no later than November 10, 2006.

Extension of Time Limit of Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue final results within 120 days of the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the 120-day period to a maximum of 180 days. Completion of the final results of this review within the 120-day period is not practicable because the Department needs additional time to evaluate the arguments and issues raised by the petitioners and respondents in their respective case briefs and rebuttal briefs.

Because it is not practicable to complete this review within the time specified under the Act, we are extending the time period for issuing the final results of this review an

additional 11 days to 180 days, in accordance with section 751(a)(3)(A) of the Act. Therefore, the final results will be due no later than November 21, 2006. This notice is published pursuant to sections 751(a) and 777(i) of the Act.

Dated: November 8, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Notice of Extension of Final Results of the 2004-2005 Administrative Review of Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, from the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: November 16, 2006.

FOR FURTHER INFORMATION CONTACT:

Eugene Degnan or Robert Bolling, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone: (202) 482-0414 and (202) 482-3434, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 14, 2006, the Department published its preliminary results. *See Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, from the People's Republic of China: Preliminary Results of 2003-2004 Antidumping Administrative Review, and Notice of Intent to Rescind in Part*, 71 FR 40069 (July 14, 2006) ("Preliminary Results"). In the *Preliminary Results* we stated that we would make our final determination for the antidumping duty review no later than 120 days after the date of publication of the preliminary results (*i.e.*, November 11, 2006).

Extension of Time Limit for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department of Commerce ("the Department") to issue the final results in an administrative review within 120 days of publication date of the preliminary results. However, if it is not practicable to complete the review

within this time period, the Department may extend the time limit for the final results to 180 days. Completion of the final results within the 120-day period is not practicable because this review involves certain complex issues, such as a tariff classification and surrogate financial ratios that both Petitioner and respondent addressed in their briefs.

Therefore, in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), the Department is partially extending the time period for issuing these final results of review by 30 days until December 11, 2006.

Dated: November 7, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.
