Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Short-Term Training program supports special seminars, institutes, workshops, and other short-term courses in technical

matters relating to the vocational, medical, social, and psychological rehabilitation programs, independent living services programs, and client assistance programs.

Priority: This priority is from the notice of final priority for this program, published in the **Federal Register** on November 7, 2001 (66 FR 56422). This priority is designed to improve the leadership among top-level managers and administrators of the State Vocational Rehabilitation Services Program. This priority supports a National Rehabilitation Leadership Institute that will address the leadership needs in all VR agencies funded under the Rehabilitation Act of 1973, as amended (Act), and programs funded under section 121 of the Act.

Absolute Priority: For FY 2007, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

National Rehabilitation Leadership Institute

We will fund one project to establish a National Rehabilitation Leadership Institute that will focus on developing the leadership skills of top-level managers and administrators in State VR agencies. The project must have plans for addressing the leadership needs in all VR agencies funded under the Act and programs funded under section 121 of the Act.

The project must employ a curriculum that focuses on the development of leadership skills and on the application of those skills to current challenges and issues in the VR program. The project must be capable of structuring leadership curricula around current VR issues of national significance, such as using VR evaluation standards and performance indicators to assess and improve agency performance, coordinating effectively with generic employment and training programs, and increasing client choice. The advisory committee (described later in this notice) and the Assistant Secretary will determine actual issues.

The project must employ a curriculum that includes several levels of training to meet the needs of audiences ranging from new State administrators and directors to seasoned administrators and directors. The project's curriculum must include sequential courses that allow for repeated practice of newly learned skills over time, with performance feedback. The project must provide training in a peer setting.

The project must coordinate its training activities with activities

conducted under the State Vocational Rehabilitation Unit In-Service Training program, the Rehabilitation Continuing Education Program, and the National Technical Assistance Centers funded by the Rehabilitation Services Administration (RSA). These programs are also charged with improving the leadership skills of State agency personnel. Therefore, collaboration and coordination are necessary.

The project must establish an advisory committee that includes RSA central and regional office representatives, representatives of State VR agency administrators and trainers, rehabilitation counselors, VR clients, Regional Continuing Education Centers, other educators and trainers of VR personnel, tribes and tribal agencies, and others as determined to be appropriate by the grantee and RSA. This committee must provide substantial input on and direction to the training curriculum, including the specific VR issues to be incorporated.

The project must include an evaluation component based upon clear, specific performance and outcome measures. The results must be reported in its annual progress report.

The project must be designed to ensure that State agencies will contribute to the costs of the participant's training.

Note: Examples of current challenges and issues in the VR program include the new approach to monitoring, and how State agency leaders should plan to use the system and the information it yields for program improvement.

Note: There are no longer RSA regional offices. References to regional offices in the program priority should be interpreted to apply to the RSA central office.

Program Authority: 29 U.S.C. 709(a)(2) and 772.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, and 86. (b) The regulations in 34 CFR parts 385 and 390. (c) The notice of final priority for this program published in the **Federal Register** on November 7, 2001 (66 FR 56422).

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

II. Award Information

Type of Award: Cooperative agreement.

Estimated Available Funds: \$250,000.

Maximum Award: We will reject any application that proposes a budget exceeding \$250,000 for a single budget period of 12 months. The Assistant Secretary for Special Education and Rehabilitative Services may change the maximum amount through a notice published in the **Federal Register**.

Estimated Range of Awards:

\$225,000–\$250,000.

Estimated Number of Awards: 1.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 60 months.

6. **Other Submission Requirements:** Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. **Electronic Submission of Applications.**

Applications for grants under the Rehabilitation Short-Term Training—National Rehabilitation Leadership Institute, CFDA Number 84.246D must be submitted electronically using the Governmentwide Grants.gov Apply site at <http://www.Grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for the Rehabilitation Short-Term Training Program—National Rehabilitation Leadership Institute at <http://www.Grants.gov>. You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.246, not 84.246D).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted, and must be date and time stamped by the Grants.gov system no later than 4:30 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not consider your application if it is date and time stamped by the Grants.gov system later than 4:30 p.m., Washington, DC time, on the application deadline date. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures

pertaining to Grants.gov at <http://e-Grants.ed.gov/help/GrantsgovSubmissionProcedures.pdf>.

- To submit your application via Grants.gov, you must complete all steps in the Grants.gov registration process (see http://www.grants.gov/applicants/get_registered.jsp). These steps include (1) Registering your organization, a multi-part process that includes registration with the Central Contractor Registry (CCR); (2) registering yourself as an Authorized Organization Representative (AOR); and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see <http://www.grants.gov/section910/Grants.govRegistrationBrochure.pdf>). You also must provide on your application the same D-U-N-S Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to submit successfully an application via Grants.gov. In addition you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. Please note that two of these forms—the SF 424 and the Department of Education Supplemental Information for SF 424—have replaced the ED 424 (Application for Federal Education Assistance).

- You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov

tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30 p.m., Washington, DC time, on the application deadline date, please contact the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission

requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or

- You do not have the capacity to upload large documents to the Grants.gov system; and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Christine Marschall, U.S. Department of Education, 400 Maryland Avenue, SW., room 5053, Potomac Center Plaza, Washington, DC 20202–2800. Fax: (202) 245–6824.

VI. Award Administration Information

1. **Award Notices:** If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. **Administrative and National Policy Requirements:** We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. **Reporting:** At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118.

4. **Performance Measures:** The Government Performance and Results Act of 1993 (GPRA) directs Federal departments and agencies to improve the effectiveness of their programs by engaging in strategic planning, setting outcome-related goals for programs, and measuring program results against those goals. The absolute priority for this competition requires the applicant to include in its application an evaluation component based upon clear, specific performance and outcome measures. The results of its evaluation must be reported in its required annual progress report. The cooperative agreement for this project will further describe the reporting requirements. In addition, the annual report must include information on the percentage of training participants who report an increase in their knowledge, skills, and abilities and the percentage of training participants who report the training is relevant to their employment. The data on these measures will be collected by the grantee via survey, assessed, and reported in the aggregate to RSA. The grantee will negotiate targets with RSA after the first year, which will be used to establish a baseline.
