Exchange, LLC ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the ISE. On February 13, 2007, the ISE filed Amendment No. 1 to the proposed rule change. The ISE filed Amendment No. 2 to the proposed rule change on March 1, 2007. The ISE has filed the proposed rule change as one establishing or changing a due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE is proposing to amend its Schedule of Fees regarding its cancellation fee. The text of the proposed rule change is available at ISE, the Commission's Public Reference Room, and <http://www.iseoptions.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the ISE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The ISE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to amend the ISE's cancellation fee. The Exchange currently has a cancellation fee of \$1.25 that applies to Electronic Access Members ("EAMs") that cancelled at least 500 orders in a month, for each order cancellation in excess of the total number of orders such member executed that month. Further, all orders from the same clearing EAM executed in the same series on the same side of the market at the same price within a 30

second period are aggregated and counted as one executed order for purposes of this fee. The Exchange notes that the level of activity in the cancellation of orders continues to remain quite large. The fee currently charged by the Exchange is insufficient to offset the cost of administering and processing the large number of cancellations on a monthly basis. The Exchange, therefore, proposes to increase its cancellation fee from \$1.25 to \$1.50. This fee increase will enable the ISE to recoup some of the costs of administering and processing cancelled orders.

2. Statutory Basis

The basis under the Act for this proposed rule change is the requirement under Section 6(b)(4) that an exchange have an equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change establishes or changes a due, fee, or other charged imposed by the Exchange, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁵ and Rule 19b-4(f)(2)⁶ thereunder. At any time within 60 days of the filing of the proposed rule change the Commission may summarily abrogate such proposed rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.⁷

⁵ 15 U.S.C. 78s(b)(3)(A).

⁶ 17 CFR 19b-4(f)(2).

⁷ For purposes of calculating the sixty-day abrogation period, the Commission considers the period to commence on March 1, 2007, the date on which the Exchange filed Amendment No. 2.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File No. SR-ISE-2007-10 on the subject line.

Paper Comments

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, Station Place, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-ISE-2007-10. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of the filing also will be available for inspection and copying at the principal office of the ISE. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions.
