Federal Acquisition Regulation; FAR Case 2005–029, Termination or Cancellation of Purchase Orders

AGENCIES: Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Final rule.

SUMMARY: The Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) have agreed on a final rule amending the Federal Acquisition Regulation (FAR) to correct the inadvertent omission of an appropriate reference pertaining to the termination for cause procedures for purchase orders that have been accepted in writing.

DATES: *Effective Date:* March 22, 2007.

FOR FURTHER INFORMATION CONTACT: For clarification of content, contact Mr. Michael Jackson, Procurement Analyst, at (202) 208–4949. Please cite FAC 2005–16, FAR case 2005–029. For information pertaining to status or publication schedules, contact the FAR Secretariat at (202) 501–4755.

SUPPLEMENTARY INFORMATION:

A. Background

This final rule amends the Federal Acquisition Regulation to amend FAR 13.302–4 by reinstating the appropriate coverage for termination for cause of commercial purchase orders. For commercial purchase orders that have been accepted in writing by the contractor, current references to FAR 12.403(d) and FAR 52.212–4(l) as stated in 13.302–4(a) address termination for convenience. The current FAR language at 13.302–4(a) was established under FAC 97–3, published in the **Federal Register** at 62 FR 64912 on December 9, 1997, and became effective on February 9, 1998. This change constituted a complete rewrite and reorganization of FAR Part 13. Previously, FAR Part 13 identified both termination for cause as well as for convenience as the termination methods available to contracting officers. Furthermore, FAR 12.403 permits the Government to

terminate a contract for commercial items either for the convenience of the Government or for cause, and makes no distinction based on the dollar value of the commercial item contract, nor the contractual method utilized to procure the commercial item. Therefore, this final rule amends FAR Part 13.302–4(a) by reinstating the appropriate coverage for and references to termination for cause of commercial purchase orders.

DoD, GSA, and NASA published a proposed rule in the **Federal Register** at 71 FR 14445 on March 22, 2006. The 60–day comment period for the proposed rule ended May 22, 2006. One respondent provided a comment. This comment is discussed below.

Public Comment

Comment: The commenter suggests that the words “in writing by the contractor” be deleted. The commenter asserts that the beginning of performance of work under a purchase order should be recognized as contractor acceptance of the purchase order, which in most cases, begins on the date of award.

Response: The scope of this case is the correction of an administrative error to re-establish the FAR language for termination for cause procedures for purchase orders that have been accepted in writing. To revise the case now to include all purchase orders, whether accepted in writing or not, would exceed the scope of what was published in the proposed rule. The Councils recognize that this issue requires additional review and will set up a separate case to address it.

Summary of Changes

FAR 13.302–4(a) is revised to reinstitute references to procedures for termination for cause as well as termination for convenience under FAR 12.403 and 52.212–4(l) or (m).

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The Department of Defense, the General Services Administration, and the National Aeronautics and Space Administration certify that this final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule does not change the Government’s existing termination rights but merely clarifies those rights by correcting an inadvertent error in the FAR.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

SUPPLEMENTARY INFORMATION:

A. Background

This rule amends FAR Part 22 to implement Executive Order (E.O.) 11246, as amended, to incorporate the exemption for religious entities prescribed in E.O. 13279. E.O. 11246, as amended, prohibits Government contractors and subcontractors, and Federally assisted construction contractors and subcontractors from discriminating in employment, and requires these contractors to take affirmative action to ensure that employees and applicants are treated without regard to race, color, religion, sex, or national origin. Section 4 of E.O. 13279 amended Section 204 of E.O. 11246 to exempt religious corporations, associations, educational institutions and societies from certain nondiscrimination requirements. E.O. 11246, as amended, permits religious entities to consider employment of individuals of a particular religion to perform work connected with carrying on the entity’s activities. Religious entities are not exempt from other requirements of the Executive order.

The Department of Labor (DOL) implemented the exemption at 41 CFR part 60–1, Obligations of Contractors and Subcontractors, in the **Federal Register** at 68 FR 56392 on September 30, 2003. The FAR incorporates the DOL exemptions at 41 CFR part 60–1 at FAR 22.807. This rule adds the exemption for religious entities to FAR 22.807(b) and the associated clause at FAR 52.222–26, Equal Opportunity, to maintain consistency with DOL rules. Under FAR 22.807(b), the exemption applies even though a contract or subcontract contains the clause at FAR 52.222–26. When awarding a contract to a religious entity that contains the clause at FAR 52.222–26, Equal Opportunity, the requirements of the clause with respect to employment of individuals of a particular religion to perform work connected with the carrying on of the contractor’s activities do not apply to a contractor that is a religious corporation, association, educational institution, or society.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The interim rule is not expected to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*,

because this rule only aligns the FAR with the DOL exemption for consistency and clarity. The DOL stated in the **Federal Register** at 68 FR 56392 on September 30, 2003, that the rule will not have a significant economic impact on a substantial number of small business entities. Therefore, an Initial Regulatory Flexibility Analysis has not been performed. The Councils will consider comments from small entities concerning the affected FAR Parts 22 and 52 in accordance with 5 U.S.C. 610. Interested parties must submit such comments separately and should cite 5 U.S.C. 601, *et seq.* (FAC 2005–16, FAR case 2006–019), in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.* The rule does not affect any certification, representation, or other proposal submission requirements.

D. Determination to Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense (DoD), the Administrator of General Services (GSA), and the Administrator of the National Aeronautics and Space Administration (NASA) that urgent and compelling reasons exist to promulgate this interim rule without prior opportunity for public comment. This action is necessary to ensure compliance with Executive Order 11246 and consistency with the Department of Labor regulations. Contracting officers need to be aware of the exemption for religious entities and to understand when and how to apply it. This will avoid confusion and potential disagreements between the Government and religious entities competing for Federal contracts. The Executive order was published on December 16, 2002 and the DOL regulations went into effect on October 30, 2003. However, pursuant to Public Law 98–577 and FAR 1.501, the Councils will consider public comments received in response to this interim rule in the formation of the final rule.

Federal Acquisition Regulation; FAR Case 2006–012, Contract Terms and Conditions Required to Implement Statute or Executive Orders—Commercial Items

AGENCIES: Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Final rule.

SUMMARY: The Civilian Agency Acquisition Council and the Defense

Acquisition Regulations Council (Councils) have agreed on a final rule amending the Federal Acquisition Regulation (FAR) to update the required contract clauses that implement provisions of law or executive orders for acquisitions of commercial items.

DATES: *Effective Date:* March 22, 2007.

FOR FURTHER INFORMATION CONTACT: For clarification of content, contact Mr. Michael O. Jackson, Procurement Analyst, at (202) 208–4949. Please cite FAC 2005–16, FAR case 2006–012. For information pertaining to status or publication schedules, contact the FAR Secretariat at (202) 501–4755.

SUPPLEMENTARY INFORMATION:

A. Background

In accordance with Section 8002 of Public Law 103–355 (41 U.S.C. 264, note), contract clauses applicable to acquisitions of commercial items are limited, to the maximum extent practicable, to clauses that are—

(1) Required to implement provisions of law or executive orders applicable to the acquisition of commercial items; or

(2) Determined to be consistent with customary commercial practice.

The FAR clause at 52.212–5, Contract Terms and Conditions Required to Implement Statutes or Executive Orders—Commercial Items, incorporates, by reference, the contract clauses that the contracting officer may select to implement provisions of law or executive orders for acquisitions of commercial items. The FAR clause at 52.219–16, Liquidated Damages—Subcontracting Plan, is a contract clause that is required to implement 15 U.S.C. 637(d)(4)(F)(i). However, the FAR clause 52.219–16 is not included in the list of clauses for commercial contracts in FAR 52.212–5. The rule incorporates the FAR clause 52.219–16 in the list of clauses for commercial contracts that the contracting officer may select.

DoD, GSA, and NASA published a proposed rule in the **Federal Register** at 42344, July 26, 2006. The Councils received no comments on the proposed rule. Therefore, the Councils have adopted the proposed rule as final without change.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.
