Title: NESHAP for Wood Furniture Manufacturing Operations (Renewal).

ICR Numbers: EPA ICR Number 1716.05, OMB Control Number 2060-0324.

ICR Status: This ICR is scheduled to expire on June 30, 2007. Under OMB regulations, the Agency may continue to conduct or sponsor the collection of information while this submission is pending at OMB. An Agency may not

conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations in title 40 of the CFR, after appearing in the **Federal Register** when approved, are listed in 40 CFR part 9, are displayed either by publication in the **Federal Register** or by other appropriate means, such as on the related collection instrument or form, if applicable. The display of OMB control numbers in certain EPA regulations is consolidated in 40 CFR part 9.

Abstract: The National Emission Standards for Hazardous Air Pollutants (NESHAP) for Wood Furniture Manufacturing Operations (40 CFR part 63, subpart JJ) were proposed on December 6, 1994, and promulgated on December 7, 1995. Respondents to this information collection request are the owners and operators of both new and existing wood furniture manufacturing operations that are sources of hazardous air pollutants. Major sources are required to perform recordkeeping activities and submit both initial and semiannual/quarterly compliance reports. Incidental wood furniture manufacturers and area sources must keep records to show that they are not major sources. The information is used to determine that all sources subject to the rule are complying with the standards. The information to be collected is mandatory under the rule.

Any owner or operator subject to the provisions of this part shall maintain a file of these measurements, and retain the file for at least five years following the date of such measurements, maintain reports and records. All reports are sent to the delegated state or local authority. In the event that there is no such delegated authority, the reports are sent directly to the EPA regional office. This information is being collected to assure compliance with 40 CFR part 63, subpart JJ as authorized in section 112 and 114(a) of the Clean Air Act. The required information consists of emissions data and other information that have been determined to be private.

An Agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number. The OMB Control Number for EPA's regulations are listed in 40 CFR part 9 and 48 CFR chapter 15, and are identified on the form and/or instrument, if applicable.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information are estimated to average 45 hours per

response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities: Wood furniture manufacturers.

Estimated Number of Respondents: 750.

Frequency of Response: Initially, semiannually and quarterly.

Estimated Total Annual Hour Burden: 47,190 hours.

Total Estimated Costs: \$3,003,109, which includes \$0 annualized Capital Startup Costs, \$18,000 annualized Operations & Management (O&M) Costs, and \$2,985,109 annualized Labor Costs.

Changes in the Estimates: There is no change in the labor hours or cost in this ICR compared to the previous ICR. This is due to two considerations. First, the regulations have not changed over the past three years and are not anticipated to change over the next three years. Secondly, the growth rate for the industry is very low, negative or non-existent, so there is no significant change in the overall burden.

Dated: April 6, 2007.

Acting Director, Collection Strategies Division.

FEDERAL MARITIME COMMISSION

[Docket No. 07-03]

Armstrong World Industries, Inc. v. Expeditors International of Washington, Inc.; Notice of Complaint and Assignment

Notice is given that a complaint and First Request for Production of Documents has been filed with the Federal Maritime Commission ("Commission") by Armstrong World Industries, Inc. ("AWI"). Complainant asserts that it is a corporation under the laws of the State of Pennsylvania whose principal business is as a designer and manufacturer of floors. Complainant alleges that Respondent, Expeditors International ("Expeditors") is a corporation under the laws of the State of Washington and is licensed by the Federal Maritime Commission as an Ocean Transportation Intermediary, Non-Vessel-Operating Common Carrier.

Complainant alleges that they used the services of Respondent for their ocean transportation requirements around the world, including from the Far East to Complainant's facilities in the U.S. through U.S. West Coast Ports. Complainant asserts that during the 2005 peak shipping season Respondent "triple charged AWI for the pass-through peak season shipping charges assessed under Respondent's ocean shipping contracts with its Vessel-Operating Common Carriers." Complainant alleges that the additional charges constitute violations of the following Sections of the Shipping Act of 1984 ("The Act"): Section 10(b)(4)(a) (46 U.S.C. 1709(b)(4)(a)) (now 46 U.S.C. 41104) for unfair or unjustly discriminatory practices in the matter of rates and charges; Section 10(b)(8) (46 U.S.C. App. section 1709(b)(8)) (now 46 U.S.C. 41104) for the imposition of undue and unreasonable prejudice and disadvantage; and Section 10(d)(1) (46 U.S.C. App. section 1709(d)(1)) (now 46 U.S.C. 41102(c)), for failure to establish just and reasonable regulations and

practices relating to or connecting with receiving or handling of property. Complainant requests the Commission to: (a) Find Respondent to have violated the above referenced sections of the Act; (b) direct Respondent to pay \$216,765.00 and such other amounts proven by evidence in this proceeding, interest, and attorney's fees; and (c) impose any other relief as the Commission determines to be proper, fair, and just.

This proceeding has been assigned to the Office of Administrative Law Judges. Hearing in this matter, if any is held, shall commence within the time limitations prescribed in 46 CFR 502.61, and only after consideration has been given by the parties and the presiding officer to the use of alternative forms of dispute resolution. The hearing shall include oral testimony and cross-examination in the discretion of the presiding officer only upon proper showing that there are genuine issues of material fact that cannot be resolved on the basis of sworn statements, affidavits, depositions, or other documents or that the nature of the matter in issue is such that an oral hearing and cross-examination are necessary for the development of an adequate record. Pursuant to the further terms of 46 CFR 502.61, the initial decision of the presiding officer in this proceeding shall be issued by April 9, 2008, and the final decision of the Commission shall be issued by August 7, 2008.

Bryant L. VanBrakle,
Secretary.
