As described in the original notice, the system contains information on applicants for SEC employment, and present and past employees. This notice is also altered to incorporate requirements of Homeland Security Presidential Directive 12 (HSPD-12) by expanding the categories and individuals covered by the system to include volunteers, tenants and employees of other Federal agencies; by clarifying and expanding the categories of records in the system, adding a note explaining that, to the extent that the Commission has records of a personnel investigative nature that come from the Office of Personnel Management or its contractors, they are covered by OPM/CENTRAL-9, Personnel Investigative Records, and not this system notice; and by expanding the authority for maintenance of the system and the purpose statement to include reference to HSPD-12.

The Commission has submitted a report of the altered systems of records to the Senate Committee on Homeland Security and Governmental Affairs, the House Committee on Government

Reform, and the Office of Management and Budget, pursuant to 5 U.S.C. 552a(r) of the Privacy Act of 1974, as amended, and Appendix I to OMB Circular A-130, “Federal Agency Responsibilities for Maintaining Records About Individuals,” as amended on February 20, 1996 (61 FR 6435).

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55057; File No. 4-529]

Program for Allocation of Regulatory Responsibilities Pursuant to Rule 17d-2; Notice of Filing of Proposed Plan for the Allocation of Regulatory Responsibilities Between the International Securities Exchange, LLC and the National Association of Securities Dealers, Inc.

January 8, 2007.

Pursuant to Section 17(d) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 17d-2 thereunder,² notice is hereby given that on December 20, 2006, the International Securities Exchange, LLC ("ISE") and the National Association of Securities Dealers, Inc. ("NASD") (together with the ISE, the "Parties") filed with the Securities and Exchange Commission ("Commission") an amended and restated plan for the allocation of regulatory responsibilities. The Commission is publishing this notice to solicit comments on the amended and restated 17d-2 plan from interested persons.

I. Introduction

Section 19(g)(1) of the Act,³ among other things, requires every self-regulatory organization ("SRO")

registered as either a national securities exchange or registered national securities association to examine for, and enforce compliance by, its members and persons associated with its members with the Act, the rules and regulations thereunder, and the SRO's own rules, unless the SRO is relieved of this responsibility pursuant to Section 17(d)⁴ or Section 19(g)(2)⁵ of the Act. Without this relief, the statutory obligation of each individual SRO could result in a pattern of multiple examinations of broker-dealers that maintain memberships in more than one SRO ("common members"). Such regulatory duplication would add unnecessary expenses for common members and their SROs.

Section 17(d)(1) of the Act⁶ was intended, in part, to eliminate unnecessary multiple examinations and regulatory duplication.⁷ With respect to a common member, Section 17(d)(1) authorizes the Commission, by rule or order, to relieve an SRO of the responsibility to receive regulatory reports, to examine for and enforce compliance with applicable statutes, rules, and regulations, or to perform other specified regulatory functions.

To implement Section 17(d)(1), the Commission adopted two rules: Rule 17d-1 and Rule 17d-2 under the Act.⁸ Rule 17d-1 authorizes the Commission to name a single SRO as the designated examining authority ("DEA") to examine common members for compliance with the financial responsibility requirements imposed by the Act, or by Commission or SRO rules.⁹ When an SRO has been named as a common member's DEA, all other SROs to which the common member belongs are relieved of the responsibility to examine the firm for compliance with the applicable financial responsibility rules. On its face, Rule 17d-1 deals only with an SRO's obligations to enforce member compliance with financial responsibility requirements. Rule 17d-1 does not relieve an SRO from its obligation to examine a common member for compliance with its own rules and provisions of the federal securities laws governing matters other than financial responsibility, including

sales practices and trading activities and practices.

To address regulatory duplication in these and other areas, the Commission adopted Rule 17d-2 under the Act.¹⁰ Rule 17d-2 permits SROs to propose joint plans for the allocation of regulatory responsibilities with respect to their common members. Under paragraph (c) of Rule 17d-2, the Commission may declare such a plan effective if, after providing for notice and comment, it determines that the plan is necessary or appropriate in the public interest and for the protection of investors, to foster cooperation and coordination among the SROs, to remove impediments to, and foster the development of, a national market system and a national clearance and settlement system, and is in conformity with the factors set forth in Section 17(d) of the Act. Commission approval of a plan filed pursuant to Rule 17d-2 relieves an SRO of those regulatory responsibilities allocated by the plan to another SRO.

II. Proposed Plan

The Parties currently operate pursuant to a 17d-2 plan in which NASD has assumed certain inspection, examination, and enforcement responsibility for common members with respect to certain applicable laws, rules, and regulations (the "current NASD-ISE 17d-2 Plan").¹¹ On September 28, 2006, the Commission approved a proposed rule change submitted by ISE relating to the adoption of rules to govern its electronic trading system for equities.¹² In that filing, ISE represented that it would enter into a 17d-2 agreement with NASD to delegate to NASD all regulatory oversight and enforcement responsibilities with respect to the ISE's outbound routing facility pursuant to applicable laws.¹³

On December 20, 2006, the Parties submitted an amended and restated 17d-2 plan for review by the Commission. The amended and restated 17d-2 plan, which would replace and supersede the current NASD-ISE 17d-2 Plan and all prior amendments thereto in their entirety, is intended to reduce regulatory duplication for firms that are
