SUPPLEMENTARY INFORMATION: The Federal Emergency Management Agency (FEMA) makes the final determinations listed below for the modified BFEs for each community listed. RIN 1660-AA46

Federal Emergency Management Agency (FEMA) Acquisition Regulation System; Removal of Chapter 44

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Direct final rule; confirmation of effective date.

SUMMARY: The Federal Emergency Management Agency (FEMA) published a direct final rule that notified the public of its intent to remove the FEMA Acquisition Regulation in its entirety. FEMA did not receive any comments on the rule. Therefore, the rule will go into effect as scheduled.

DATES: The effective date of the direct final rule published March 2, 2007 (72 FR 9445) is confirmed as May 1, 2007.

FOR FURTHER INFORMATION CONTACT: Joyce M. Ard, Federal Emergency Management Agency, 500 C Street, SW., Patriot Plaza Room 201, Washington DC, 20472, (phone) 202-646-3213, (facsimile) 202-646-2928, or (e-mail) joyce.ard@dhs.gov.

SUPPLEMENTARY INFORMATION: On March 2, 2007, FEMA published a direct final rule at 72 FR 9445 that notified the public of FEMA's intent to remove the FEMA Acquisition Regulation (FEMAAR) at 48 CFR Chapter 44 in its entirety. The specific language and subsequent clauses are removed as a result of the transfer of FEMA to the Department of Homeland Security (DHS) on March 1, 2003. The Homeland Security Acquisition Regulation (HSAR) created a department-wide acquisition regulation for DHS in 48 CFR Chapter 30, and included FEMA in the list of entities for which the chapter applied, thereby superseding and making 48 CFR Chapter 44 duplicative and

unnecessary. FEMA has not received an adverse comment, or notice of intent to submit an adverse comment, on this rule. Therefore, the rule will go into effect as scheduled.

Dated: April 19, 2007.

Defense Federal Acquisition Regulation Supplement; Acquisition Integrity (DFARS Case 2006-D044)

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Final rule.

SUMMARY: DoD has issued a final rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to address requirements for the separation of Government functions for oversight, source selection, contract negotiation, and contract award. The rule contains best practice policies for use by the military departments and defense agencies.

EFFECTIVE DATE: April 26, 2007.

FOR FURTHER INFORMATION CONTACT: Mr. Gary Delaney, Defense Acquisition Regulations System, OUSD (AT&L) DPAP (DARS), IMD 3C132, 3062 Defense Pentagon, Washington, DC 20301-3062. Telephone (703) 602-8384; facsimile (703) 602-0350. Please cite DFARS Case 2006-D044.

SUPPLEMENTARY INFORMATION:

A. Background

This final rule adds a new section at DFARS 203.170 to address requirements for the separation of Government functions for oversight, source selection, contract negotiation, and contract award. The rule contains best practice policies to ensure the separation of such functions.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

This rule will not have a significant cost or administrative impact on

contractors or offerors, or a significant effect beyond the internal operating procedures of DoD. Therefore, publication for public comment under 41 U.S.C. 418b is not required. However, DoD will consider comments from small entities concerning the affected DFARS subpart in accordance with 5 U.S.C. 610. Such comments should cite DFARS Case 2006-D044.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply, because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
