

Homeland Security enforcement components and outside law enforcement partners fall within the meaning of 5 U.S.C. 552b(c)(7)(E) insofar as they will "disclose investigative techniques and procedures."

The closed meeting will be dedicated to pre-decisional discussions of the updates to the National Response Plan and the rollout of radiation screening in ports, as well as the investigative and enforcement efforts of Immigration and Customs Enforcement, Customs and Border Protection, New York Police Department, and the New York State Department of Public Safety. The predecisional discussion with Coast Guard and FEMA will involve information that, if publicly disclosed, is likely to inhibit the government's ability to implement the National Response Plan and the planned radiation screening programs. The discussions with internal and external enforcement components will involve information about sensitive investigative techniques and procedures.

Dated: May 14, 2007.

Executive Director, Homeland Security Advisory Committees.

DEPARTMENT OF HOMELAND SECURITY

[Docket No. DHS-2007-0021]

United States Visitor and Immigrant Status Indicator Technology (US-VISIT); Privacy Act of 1974; Notice of Decommission of System of Records

AGENCY: United States Visitor and Immigrant Status Indicator Technology (US-VISIT), DHS.

ACTION: Notice of Decommission for System of Records.

SUMMARY: The Department of Homeland Security (DHS), US-VISIT Program, conducted a proof of concept (POC) for Increment 2C (70 FR 39300, US-VISIT Privacy Impact Assessment, July 7, 2005) to assess the capability of automatically, passively, and remotely recording the entry and exit of US-VISIT covered individuals at U.S. land border ports of entry (POEs) using Radio Frequency Identification (RFID)-enabled I-94 (Arrival/Departure) Forms. To support the US-VISIT Increment 2C POC, the Automated Identification Management System (AIDMS) was created to link the unique and

individually-assigned RFID tag number to existing biographic information received from the Treasury Enforcement Communications System (TECS) and the entry and exit event information for each covered individual crossing the land border. The AIDMS maintained four general categories of records: traveler (i.e., covered individual) identification information, RFID tag related information, RFID tag read event information, and border crossing history information. The traveler identification information and the border crossing history information were duplicative of information stored in TECS and the Arrival/Departure Information System (ADIS). The RFID tag information was comprised of data collected about the issuance and status of the Form I-94 as well as data associated with the reading of an RFID tag. On November 7, 2006, US-VISIT concluded the Increment 2C POC. Upon completion of the estimated one year POC (as noted in the US-VISIT Notice published August 4, 2005, 70 FR 44934), AIDMS has been decommissioned because data is no longer being collected or stored in the system. All data previously stored in AIDMS will be deleted/destroyed 30 days after publication of this notice and in accordance with the National Archives and Records Administration (NARA) General Records Schedule (GRS) 20, Item 1.a. The AIDMS SORN was previously published in the **Federal Register** on July 5, 2005, at 70 FR 38700. A Privacy Impact Assessment regarding this decommission has been published at <http://www.dhs.gov/privacy>.

The purpose of this notice is to inform the public of the termination of AIDMS on June 25, 2007.

Disposition: In accordance with NARA GRS 20, Item 1.a, the data collected and stored in AIDMS will be deleted/destroyed 30 days after publication of this notice.

FOR FURTHER INFORMATION CONTACT: Steve Yonkers, Privacy Officer, US-VISIT Program, Department of Homeland Security, Washington, DC 20528; telephone 202-298-5200 (this is not a toll free number).

Dated: May 16, 2007.

Chief Privacy Officer.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5125-N-21]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Kathy Ezzell, room 7266, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where

property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to John Hicks, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *Army*: Ms. Veronica Rines, Department of the Army, Office of the Assistant Chief of Staff for Installation Management, Attn: DAIM-ZS, Rm 8536, 2511 Jefferson Davis Hwy., Arlington, VA 22202; (703)
